## Public cries 'stop' but signs still multiplying

A set of stop signs erected at the "T" intersection of 28th and State streets has become a point of controversy between the public and the city government. Numerous complaints are being received about one of the

signs, which stops State Street traffic headed toward downtown Granite City in mid-park along Wilson Park's State Street boundary. Alderman Frank Greenwald of the Second Ward first

requested that the signs be erected at the intersection. He told the City Council later that he has been "besieged" by telephone calls objecting to the placement of the sign.

"I put the sign there, so I guess I am responsible for it and should take the criticism. But I will continue to support it because I believe it protects children playing in that block," Greenwald told the aldermen. Most other aldermen told Greenwald they also have received many calls about the sign.

City Clerk Robert W. Stevens said he still is receiving complaints about the sign and for a period was receiving more than one dozen calls per day objecting to it.

The Press-Record also has received complaints about the sign and about a proposed sign at 17th and State streets.

After Greenwald's comments at the council meeting, several aldermen said they felt a stop sign was not the proper way to solve a speeding problem—that speeding is a police matter.

City Engineer Monroe Brewer also disagreed, saying the only effective way to control traffic is in proper street design.

The question of whether Granite City has too many needless stop signs is one of the pending subjects of the monthly prayer breakfast series, sponsored by the Community Service Committee of the Granite City Rotary Club. The breakfasts were adjourned for the summer but are to resume Wednesday morning.

The breakfast group has been presented with a map, covered with a mass of pins, representing stop signs. The map shows that traffic is effectively delayed in most directions by stop signs along heavily traveled streets.

One informal study of the

### Grassroots Government

Nameoki Town Board 7 p.m. today, Sept. 9, at 4250 Highway 182.

Chouteau Town Board 7 p.m. today, Sept. 9, at 825 Thorngate Drive.

County Board 9:30 a.m. Tuesday, Sept. 10, at 825 Thorngate Drive.

Madison City Council 7:30 p.m. Tuesday, Sept. 10, at Madison City Hall.

Pontoon Village Board 7:30 p.m. Thursday, Sept. 12, at Village Hall.

Venice Park Board 7:30 p.m. Friday, Sept. 13, at 305 Broadway.

## No one fights flames in 'no man's land'

A vacant two-story farmhouse west of Route Three near West Pontoon Road burned to the ground Thursday night as area fire departments declined to answer numerous fire alarms.

The farmhouse was in a "no man's land" between fire districts.

Granite City firemen and Granite City Mayor Paul Schuler had urged residents in that area to annex into the city for fire protection purposes.

Residents declined at that time, about a year ago, and were informed that they would remain without fire protection. The area also is outside the territories of the Mitchell and Long Lake volunteer fire departments.

Granite City firemen were alerted at 9:30 p.m. Thursday that the farmhouse was on fire. In all, city firemen received

20 calls about the blaze and Mitchell firemen reported receiving numerous calls.

Madison County sheriff's deputies arrived at the scene at 9:36 p.m. and reported the building was "engulfed in flames" and "beyond saving" at that time.

Many persons gathered to watch the fire, and units from the Illinois State Police were called to assist in crowd control. Deputies determined that the land now is owned by the Terminal Railroad Association and some of the buildings are leased by Charles Klug for storage of farm equipment. The fire did not spread to the storage buildings.

The house had been vacant for about one month. Deputies noted that the house was seven-tenths of a mile from the West Granite City Fire station.

THREE WAY STOP at 28th and State streets which has been the target of a multitude of complaints to Granite City aldermen, city officials, police and the Press-Record. Traffic on State Street headed toward Granite City High School South stops for the in-

tersection with 28th; traffic headed downtown also is stopped. Numerous motorists have been ticketed for not noticing or observing the sign. Alderman Frank Greenwald, who asked for the signs, says they protect children playing in that area.

(Press-Record Photo)

## Blame airport foes for limiting area's growth

The U.S. Department of Transportation has recommended that St. Louis be eliminated from a list of cities under consideration for direct transatlantic airline service, it was announced Friday.

IMPACT, an organization seeking to preserve and improve Lambert Field while proceeding with a major new international airport for St. Louis at Columbia-Waterloo, said it learned the decision was contained in a formal letter from the Department of Transportation to Ross Newmann, associate chief administrative law judge of the Civil Aeronautics Board.

The report also was contained in the current edition of an aviation industry trade

publication, "Aviation Week and Space Technology."

"The Civil Aeronautics Board staff had recommended that direct transatlantic routes be awarded to Atlanta, Cleveland, Dallas-Fort Worth, Houston, Pittsburgh and St. Louis. The Department of Transportation agreed with all of the recommendations except St. Louis. In a statement issued in response to the reports, IMPACT (Illinois-Missouri Progressive Airport Creation Task Force), said:

"There are indications from knowledgeable federal officials that the present St. Louis airport situation, including physical limitations of Lambert—and neighborhood squabbling over whether and

where to build a second major airport—has led directly to this negative recommendation. "It would be tragic if those who have worked against a new regional airport would succeed but in the process deny St. Louis a rightful share of international air commerce. Unfortunately, such an occurrence also would include the diversion of business and job opportunities from St. Louis."

"An indication of how the airport controversy is hurting St. Louis can be seen in the fact that the other five cities seeking transatlantic service have either built new airports or are in the process of developing airports far larger than Lambert."

"The recommendation of the Department of Transportation against St. Louis in the transatlantic case is a frightening preview of the continuing erosion of air service that the area will suffer if it does not get to work on the new airport at the earliest possible moment."

"IMPACT believes St. Louis must save Lambert and build the new airport."

"Lambert should be (continued on Page 4)

## Colonial Bank to be organized

A permit to organize the Colonial Bank of Granite City was received this morning from Richard K. Lignoul, acting Illinois commissioner of banks. Organizers are Paul H. Lichtenberger, John W. Reese, Dr. George T. Wilkins Jr., Vasil Tarpeff and Henry Ross. Their plans for the bank were announced in February 1973.

Preparations will begin to offer Colonial Bank stock for sale, Lichtenberger said today. He is board chairman of the First Granite City National Bank.

Plans call for the new bank to be located at the corner of Pontoon and Maryville Roads.

## United Way plans made

Fall is United Way time, and the brisk weather this month has helped focus attention on the 1974 campaign opening Wednesday, Oct. 2.

General chairman of the annual drive is George Pullanas, Granite City Steel vice president of administration. Under his leadership, a campaign team of

leaders and solicitors has been recruited.

"As part of the team effort, a kickoff dinner is scheduled for 6 p.m. Oct. 2 at Sunset Hills Country Club," Pullanas announced today. A Sept. 16 reservation deadline has been set.

Tri-Cities Area United Way

(continued on Page 4)

## New move to build Denny's

A second attempt to obtain rezoning for construction of a Denny's Restaurant at Nameoki Road and Cottage Avenue is being made by James T. O'Donnell, St. Louis, a land developer.

A request for C-1 commercial zoning at that location, rather than the present R-2 single family residential classification, will be considered by the Granite City Plan Commission at 1:15 p.m. Thursday in the city office

building at 2301 Adams St. Public testimony on the issue will be taken at that time. The Plan Commission makes recommendations to the Granite City council on zoning issues.

An attempt to have the Plan Commission recommend the zoning change April 24 was unsuccessful after petitions with 50 signatures against the construction were presented. Eleven persons had signed petitions in favor.

At that time, Ray Kozielek of Madison was serving as the developer. Traffic congestion along Nameoki Road was cited as the reason for the Plan Commission recommending against the construction at that time, it was noted.

The Plan Commission recommended a ban on all commercial construction along Nameoki Road from Madison Avenue to Pontoon Road, until traffic congestion problems could be solved. The city council did not declare a building ban, but denied the restaurant request.

Since that time, the city council has approved traffic lights for two shopping centers and will synchronize all lights on Nameoki Road to allow a better traffic flow.

The plan commission also is to consider four other rezoning requests and one request for annexation into the city.

The requests were held over one month and will be considered Thursday. Richard Klamer, an MFA Insurance Co. agent, is requesting a special use permit for 1907 Johnson

(continued on Page 4)

## Fatal fall

Roy L. Doran, 36, of Collinsville, a painter at Granite City Steel, was killed at 12:45 p.m. Friday when he fell approximately 40 feet from the top of a building at the steel plant.

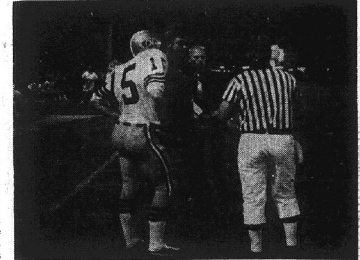

Doran was walking atop a roof at the 90-inch hot strip mill building when he apparently lost his balance and fell.

He was taken to St. Elizabeth Hospital, where he was pronounced dead on arrival.

Mr. Doran had been employed at Granite City Steel for 13 years. He was a member of United Steelworkers Local 30.

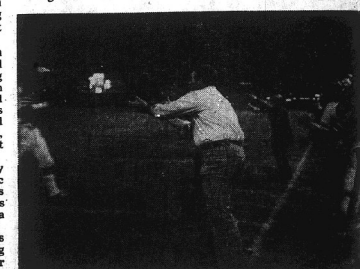

He is survived by his wife, Mrs. Dixie L. Doran, one daughter, Miss Susan Gale Doran and two sons, Ronald Roy and Michael W. Doran, all of Collinsville; three sisters, Mrs. Mae Harris of Collinsville, Mrs. Lops Clark of Belleville and Mrs. Mary Allen of Riverside, Calif.

Funeral services were to be held today. Details are given in the obituary column.

THE JOY OF VICTORY pervaded the North High School side of the gridiron Friday night as the Steelers defeated South 7-0 in the two Granite City schools' first varsity football meeting. Coach Tom Wyrostek (second from left) confers with Quarterback Gene Logas (15), Assistant Coach Bob Stiegemeier and an official during the game.

(Press-Record Photo)

THE ANGUISH OF DEFEAT did not prevent Coach Stan Wojcik and Warrior players from applauding the South High School team's performance Friday evening. The game was relatively close in some respects but the North defense often was able to pierce the South offensive line and thwart forward passes.

(Press-Record Photo)

HONORED FOR SERVICE to the Tri-City Regional Port District Thursday night were three retiring directors. They were presented certificates of appreciation by the present chairman of the port board, John Belkoff. From left are: Belkoff; Harold R. Fischer,

a charter member who served 14 years on the board, including seven years as chairman; and Harold Milner and Carl Mathias, who served six years each.

**New Musk Oil Cologne Spray Mist  
 by Jovan.**  
 The Understatement of the Year.

Jovan has just created another  
 way to wear musk oil. Musk Oil  
 Cologne Spray Mist.

As you might expect, it comes  
 on soft and subtle. But don't be  
 fooled.

It's powerful, provocative and  
 lingering just like Jovan Musk Oil  
 Perfume.

The cologne says the very  
 same things about you the  
 perfume does. That you're  
 sensuous. Womanly. And warm.

But says it a little more lightly.  
 (Which could be the most  
 powerful way of all.)

Try this new fragrance  
 understatement by Jovan. Musk  
 Oil Cologne Spray Mist.

Because it isn't what you say.  
 It's how you say it.

**Jovan Musk Oil Cologne Spray Mist.**

**Electronics seen as way  
 to reduce travel volume**

By the year 2000, convenient  
 teletransportation services in  
 the U.S. could reduce trans-  
 portation activities from the  
 current 20 per cent of gross  
 national product to ten per cent,  
 in the opinion of George Arnold,  
 associate professor of  
 engineering at Southern Illinois  
 University at Edwardsville.

"As transportation becomes  
 more expensive, people will  
 look for alternatives to travel,"  
 the SIUE scientist believes.

"The magic of electronics will  
 provide substantial diversion of  
 people from excessive use of the  
 automobile. Telecommunica-  
 tion, to some extent, will  
 substitute for transportation.

"If work, schooling, health  
 care, banking and enter-  
 tainment could be as close as  
 the living room, or within safe  
 walking distance," Arnold says,  
 "then almost everyone—in  
 cities, suburbs and rural set-  
 tings—could have transpor-  
 tation needs satisfied with-  
 out daily use of personal  
 vehicles."

"Our streets and highways  
 would be used mostly for  
 delivery of commodities. Being  
 relatively clear of passenger  
 movement, they would allow  
 faster delivery for future  
 generations."

The SIUE environmental  
 engineer has just returned from  
 the National Aeronautics and  
 Space Administration (NASA)  
 Langley Research Center at  
 Hampton, Va., where he spent  
 11 weeks on a 20-man team of  
 engineering systems design  
 fellows working on plans to  
 alleviate air and ground  
 transportation problems. The  
 fellowships were provided by  
 NASA and the American  
 Society for Engineering  
 Education and were hosted by  
 Old Dominion University at  
 Norfolk.

"The greatest fallacy that has  
 been espoused regarding  
 economic growth and transpor-  
 tation is that traffic  
 congestion, the delays and  
 dangers of transportation can  
 readily be cured by creating  
 more transportation," Arnold  
 said.

"In today's transportation  
 systems, we are no longer  
 primarily concerned with  
 moving muscles, but with  
 moving information from place  
 to place.

"In the mid-1970s we have  
 greater technological capability

GRANITE CITY PRESS-RECORD  
 Mon., Sept. 9, 1974 Page 2

to transport information,  
 thereby reducing the need to  
 move people physically from  
 one location to another.

"It has become commonplace  
 and common sense today to  
 substitute electronics—the use  
 of telecommunications equip-  
 ment ranging from  
 telephones to communications  
 satellites—for the physical  
 movement of people, papers  
 and events," Arnold says.

"It has been said that we are  
 in a communications revolution  
 or communications explosion,"  
 Arnold commented. "Whatever  
 it is, people of the U.S. must  
 keep abreast of world progress  
 and competition; otherwise,  
 the one-world language might  
 someday be Russian or Oriental  
 instead of English."

Few people consider the cost  
 of electronic hardware an  
 impediment to future two-way  
 TV communications in the  
 home, the SIUE professor said.

"The research will be ex-  
 pensive but it will spread out  
 among many millions of  
 customers and will be a small  
 part of the household cost."

Telecommunications could be  
 the first major move toward  
 reducing, rather than con-  
 tinuously expanding, con-  
 sumption of energy and raw  
 materials, Arnold believes.

"Telecommuting takes only  
 four per cent of the energy of a  
 private auto in intra-urban  
 situations. And for the long  
 term, it could signal a shift in  
 our social and economic goals  
 to give human values priority  
 over those of the machine."

"Implicit in the concept of  
 teletransportation is the  
 potential for a new kind of social  
 structure—the electronically  
 interconnected, physically  
 dispersed society," Arnold said.

In a report to NASA-ASEE,  
 Arnold suggests that "NASA's  
 actual demonstration of elec-  
 tronic systems on a commercial  
 scale would be beneficial.  
 NASA has a record of success  
 with advanced technologies and  
 is in an advantageous situation  
 to utilize its remarkable skills  
 and innovations to continue to  
 help earth-bound creatures as  
 well as spacemen."

"It (NASA) should help the  
 average citizen trade off some  
 automotive congestion and  
 frustration and get, instead,  
 more electronic fingertip  
 conveniences in the quietness of

the living room."

Although telecommunications  
 cannot replace all conventional  
 travel, Arnold said, they can  
 reduce the need to make further  
 massive outlays on superhigh-  
 ways for "predictable" traffic.

"We can save some of that  
 land that would thus be covered  
 with concrete and asphalt and  
 use it instead for tennis courts  
 and gardens, or even soybeans  
 to relieve the grain shortage."

**Rites set for  
 P. D. Kincaid**

Funeral services will be  
 conducted Wednesday in  
 Houston, Tex., for Patrick  
 Davis Kincaid, 38, of 46 Arnold  
 Road, Pelham, Mass., a former  
 resident of Granite City.

Mr. Kincaid was found dead  
 of a gunshot wound to the head  
 at his home Tuesday morning.

An inquest is pending.  
 A 1964 graduate of Granite  
 City High School, he served as  
 president of the GCHS Student  
 Body and was a member of the  
 National Honor Society. He  
 attended the University of  
 Illinois at Champaign-Urbana  
 and received his bachelor and  
 master degrees in chemistry  
 from the University of Houston,  
 Tex.

At the time of his death, Mr.  
 Kincaid was a doctoral candi-  
 date at the University of  
 Massachusetts in the field of  
 polymer service and  
 engineering. He had been  
 associated with the University  
 of Massachusetts' research  
 programs the past three years.

He was born in Phoenix,  
 Ariz., and was a member of the  
 First Christian Church  
 (Disciples of Christ) in Houston.  
 He also held membership in  
 Alpha Phi Sigma at Houston;  
 Chapter, Sigma Xi Scientific  
 Research Society of America.  
 His parents, Mr. and Mrs. E.  
 D. "Bud" Kincaid, reside at  
 3440 S. MacGregor Way,  
 Houston. His father was per-  
 sonnel-industrial relations  
 manager at Union Starch and  
 Refining Co. in Granite City  
 prior to moving to Houston in  
 1963.

Beside his parents, also  
 surviving is his paternal  
 grandmother, Mrs. Nellie  
 Kincaid of Peru, Ind.

Funeral arrangements are  
 given in the obituary column.

**Public hearing set on new  
 treatment facility at SIUE**

A public hearing on plans for  
 construction of an advanced  
 waste treatment facility and  
 waste treatment operator  
 training center at Southern  
 Illinois University at Edwardsville  
 will be held from 2 to 5 p.m.  
 Sept. 16 in the International  
 Room of the University Center  
 at SIUE.

The potential environmental  
 impact of the project and the  
 proposed plan of construction  
 will be discussed at the hearing.  
 Testimony is expected from all  
 interested parties.

Last October, Illinois Gov.  
 Dan Walker announced that a \$2  
 million grant from the Illinois  
 Environmental Protection  
 Agency would be made to SIUE  
 for the new training facility.

The SIU Board of Trustees  
 formally approved the project  
 at a meeting in Carbondale  
 March 14 and on May 7, the  
 Illinois Board of Higher  
 Education approved the  
 project.

Since 1967, SIUE has been  
 sponsoring a sewage treatment  
 plant operators institute  
 through the School of Science  
 and Technology. Non-credit  
 programs have helped upgrade  
 skills of sewage and water plant  
 operators throughout southern  
 Illinois. Funding for the  
 programs has come from the  
 federal government and the  
 IEPA.

When the new facilities are  
 completed SIUE will be able to  
 expand existing programs and  
 offer a broader range of waste

water treatment instruction on  
 a non-credit basis.

Last January, SIUE filed a  
 program development  
 statement with the IEPA which  
 said a three-year instructional  
 program is envisioned, with  
 emphasis the first year on entry  
 level and upgrading programs.  
 Topical seminars would also  
 be offered, and a program to  
 assess future state needs would  
 begin.

Training for more ex-  
 periened plant operators  
 would be stressed in the second  
 year, with programs for entry  
 level operators also getting a  
 high priority. The third year  
 would emphasize operation of  
 more advanced equipment and  
 the need to develop more highly  
 skilled personnel.

The \$2 million grant pledged  
 by Gov. Walker will be used  
 entirely for construction of new  
 facilities. Additional funds will  
 have to come from federal or  
 state sources to finance the  
 instructional program.

**PRACTICAL NURSES TO  
 MEET THURSDAY NIGHT**  
 Plans for participating in  
 Charity Days Sept. 19 to 21 at  
 the Nameeki Village Shopping  
 Center will be finalized by the  
 Licensed Practical Nurses of  
 Division 14 at the group's  
 monthly meeting at 8 p.m.  
 Thursday in the Eunice Smith  
 Convalescent Home, Alton.  
 Membership in the group is  
 open to all licensed practical  
 nurses and medical students.

**Dron low bidder  
 on ramp system**

R. Dron Electrical Co. of  
 Granite City has been awarded  
 a contract by the Illinois  
 Department of Transportation  
 to furnish and install a traffic  
 control system at the ramp  
 terminals connecting Interstate  
 64 with Illinois Route 187 at  
 Caseyville on a low bid of  
 \$128,412.

A contract also was awarded  
 last week to the J & D Supply  
 Co. of Springfield to furnish and  
 erect traffic signs on 5.2 miles of  
 Interstate 55 between the  
 Madison-Macopin county line  
 and one mile northeast of the  
 Illinois 4 interchange on a low  
 bid of \$71,518.

The awards were among  
 contracts totaling \$9.7 million  
 for road improvement and  
 maintenance projects let by the  
 DOT.

"You're Somebody Special With us!"

## Linda M. Grady married in candlelight ceremony

Wedding vows were exchanged by Miss Linda Marie Grady, a daughter of Mr. and Mrs. James H. Grady, 2940 Marshall Ave., and Kenneth Rath, a son of Mrs. Rose Rath of Buffalo, N.Y., and the late Herbert Rath, in a double ring ceremony on Aug. 24 at Calvary Baptist Church.

The Rev. Bill Young officiated at the 7 o'clock candlelight service before an altar banked with arrangements of white gladiolus and pink pom poms.

Miss Cheryl Kindie, soloist, was accompanied at the organ by Mrs. Brenda Bevins. Selections included "First Time Ever I Saw Your Face," "Wedding Song," "Follow Me" and "The Lord's Prayer."

Escorted to the altar by her father, the bride chose a gown fashioned with a lace bodice, featuring a sweetheart neckline and long sleeves accented with lace caplets and wide cuffs.

A wide satin ribbon defined the high rise waist and A-line skirt of sheer organza over white taffeta.

A lace headpiece held in place her mantilla veil edged with matching lace and she carried a cascade of white carnations, pink sweetheart roses and baby breath, festooned with pink ribbons.

Matron of honor Mrs. Cynthia Gan, a sister of the bride, wore a blue seersucker gown with a vertical design created of insertion ribbon.

The full length dress was designed with a square neckline and short bell sleeves. The slightly full skirt terminated in a gathered flounce marked with white lace.

Bridesmaids Mrs. Deborah, Grady, a sister-in-law of the bride and Miss Patti Etkorn, were gowned in identically styled dresses in pink and yellow.

All wore white picture hats and held bouquets of mixed spring flowers arranged in white lace baskets.

Pamela and Reggie Wallace, cousins of the bride, served as flower girl and ringbearer. She wore a blue frock similar in style to the adult attendants' dresses and held a white basket of red rose petals.

John Dotz, a cousin of the groom, was best man. Rob Rath and Ron Grady, brothers of the bride, served as groomsmen. Seating the guests were Vern Gan of Granite City and Mike Veach of Buffalo, N.Y.

Mrs. Sandra Mendenhall registered guests at a reception held immediately following the service in the church fellowship hall.

After the church rehearsal, a party was given on board the S. S. Admiral.

For her daughter's wedding, Mrs. Grady selected a long blue

gown, featuring a double knit brocade bodice with a roll collar and chiffon sleeves and skirt. The groom's mother, Mrs. Rath, was attired in a pink chiffon gown crested with a low V neckline and angel style sleeves. A rhinestone pin accented the crescent waistline. Both wore corsages of Sweetheart roses in shades to match their gowns.

The newly married couple is residing at 143 Harriet St., Buffalo, following a wedding trip to Canada.

A 1973 graduate of Granite City High School, the bride was employed at the Granite City Army Installation. Her husband attended schools in Buffalo and now works at an optical company there.

Out-of-town guests included the groom's mother and Mrs. Mary Ann Leach and Mrs. Dorothy Veach, all of Buffalo, N.Y.; Mr. and Mrs. Dan Lawson and daughter, Jessie of Iberia, Mo.; and Mr. and Mrs. Ray Banks of Carrollton, Ky.

## Mothers Club seeks members

The Lincoln Place Mothers Club made plans to conduct a membership drive at a meeting last week in the home of Mrs. Irene Kozma, 1805 Maple St. Persons interested in joining the club, or in receiving further information, are being asked to call Mrs. Nancy Groff, president, at 877-4381.

Members agreed to bake cakes and donate them to Parents of Special Education for a booth at the Charity Days event at Nameoki Village Shopping Center, Sept. 19-Sept. 21, and to contribute to the Muscular Dystrophy campaign.

During the social hour, Mrs. Anna Kuruz was honored on her 80th birthday and presented with gifts and a decorated cake. Games were played and prizes were won by Mesdames Mary St. Ivany, Virginia Kettle, Linda Garcia and Dorothy Petrillo.

Others present were Mesdames Mary Andria, Rose Graham, Matilda Martinez, Verna Michel, Helen Simpson and Ann Veloff.

## Revival to open

A revival meeting will open at Bethel Chapel Church, 26th Street and Ohio Avenue, at 7:30 p.m. Monday, with the Rev. Terry Bowling, Middletown, Ohio, singing and speaking nightly.

The first service Monday night also will include the Sunset Hill Campground Youth Rally. Rev. Clinton Galbraith, pastor, said the public is invited.

MR. AND MRS. KENNETH RATH. They were united in marriage at Calvary Baptist Church. The bride is the former Miss Linda Marie Grady, a daughter of Mr. and Mrs. James H. Grady, 2940 Marshall Ave.

## Secretaries to honor member

Mrs. Sally Gracey, president of the National Secretaries Association, Tri-Cities Chapter, announced Mrs. Lana Randolph, the newest chapter member to attain certified professional secretary status, will be honored by the chapter at the annual "Boss Night" dinner in October.

Mrs. Randolph, one of 3,585 candidates taking the CPS examination in 1974, was among the 88 persons successfully passing the test.

Mrs. Gracey noted the CPS recipient passed all six sections of the two-day examination, lasting 12 hours, on her first attempt, a feat accomplished by less than 12 per cent of those taking the test.

Mrs. Randolph is employed as secretary to John Paul Davis, general counsel and executive assistant to the president at Southern Illinois University at Edwardsville. She formerly worked at Granite City Steel and Shell Oil companies.

Mrs. Randolph and her husband, Bill, are parents of two daughters, Lisa, 4 and Lori, 3. The family resides at 1 Claydale Place, Caseyville.

The new CPS member is a graduate of Christopher (Ill.) High School and Hickey's School for Secretaries, St. Louis. She presently is completing her education at SIUE.

MRS. LANA RANDOLPH

## Rollins-Bickhaus engagement

Mr. and Mrs. Ernest Bickhaus, 2028 Manley Ave., are announcing the engagement of their daughter, Miss Ann Bickhaus, to James Lee Rollins, son of Mr. and Mrs. Wade Rollins, 4277 Revelle Lane.

Plans are being completed by the engaged couple and their families for a wedding on Feb. 21 at St. Elizabeth Catholic Church.

The bride-elect, a 1971 graduate of Granite City High

School, will graduate from Southern Illinois University at Edwardsville in December.

Her fiancé was graduated from Granite City High School in 1969 and attended Central Methodist College and SIUE. He is employed in the laboratory at Shell Oil Refining Co., Wood River.

## Cub Roundtable Tuesday night

Mrs. Nadene Taylor will be in charge of the Cub Scout Roundtable meeting at 7:30 p.m. Tuesday at Coolidge Junior High School. Theme will be "Land of Make Believe."

Leaders with crafts pertaining to the theme, Halloween or Thanksgiving are requested to display the items during the meeting, Mrs. Taylor said.

Special guests will be a representative of the Granite City Fire Department and John Blasingame, chairman of "School Night for Cubbing," scheduled for Sept. 19 at the area schools.

## United Way

(Continued from Page 1)

officers are Paul H. Kelly, president; M. B. Milonaki and Leo Schermer, vice presidents; Irvin C. State Jr., secretary; and James W. Foley, treasurer. Executive director is S. T. "Pete" Nair.

Kickoff dinner sponsors are First Granite City National Bank, Granite City Steel, Granite City Trust and Savings Bank and A. O. Smith Corp.

"Our goal this year is \$425,000," Pulanias has pointed out.

"The 18 agencies providing services to our community are faced with increased demands on these services.

"The shortage of funds to start with, coupled with the inflationary trend in our economy, is forcing many of them to curtail their services. It is essential that these United Way services continue in our area."

The fall 1974 campaign will provide operating funds for member agencies during the 1975 calendar year. Specific allocations will be determined following the drive.

Participating agencies are: Alcohol Rehabilitation, Wesley Tobin, Reg. 2049 State, Granite City, Phone: 877-4987.

American Red Cross, Mrs. Ruby Overbeck, Exec. Director, 1411 21st St., Granite City, Phone: 452-7184.

Artistic Foundation, Hal Leitchhardt, Exec. Director, 1000 Locust, St. Louis, Phone: 421-3550.

Boy Scouts, Wm. Monical, Council Executive, 1338 Nidringhaus, Granite City, Phone: 876-0666.

Catholic Charities, Rt. Rev. Msgr. Wm. J. Casin, Director, 2012 Delmar, Granite City, Phone: 877-1184.

Co-Ordinated Youth Services, C. A. MacMillan, Director, 1255 Nidringhaus, Granite City, Phone: 876-2383.

## Public cries

(Continued from Page 1)

28th-State intersection has shown that the stop sign governing southbound traffic has little effect on motorists.

Most motorists approached the sign at high speed, braked rapidly to a partial stop and then accelerated, returning to their original speed within a few seconds.

Many cars actually had their speed over 50 mph at the time of braking until full speed was resumed, for less than 50 yards.

The afternoon study showed an average of one car each 15 seconds being stopped on State Street at the intersection. The count was taken prior to the end of classes at GCHS South, after which traffic increased further.

National studies have shown that automobiles waste great amounts of gasoline halting for stop signs and then accelerating rapidly to their original speeds.

Criticism about stop signs has not been limited to Granite City. One Madison resident has commented that "our sidewalks seem to be going for a goal of a stop sign at every corner, and they are pretty close to achieving it."

Accidents at specific locations often lead to the suggestion of stop signs, usually quickly transformed into reality by "aldermanic courtesy" procedures.

Advocates of numerous stops say this is the best way to protect children and other pedestrians.

Traffic engineers prefer police patrols as the way to enforce speed limits. They say congestion is diminished by peddling, rather than impeding the flow of vehicular traffic along non-stop arteries.

son in service who must be brought home on emergency leave.

"These problems may not be your personal problems... but they are your problems to help solve."

"Over the years, the people of the Tri-Cities have decided that the many agencies that make up the United Way are our best method of helping to solve such problems."

"After all, we're not trained social workers ourselves, so we can't go around personally administering to the needs of the citizens of the community."

"We must depend on people with the proper training to do this job... people like those who work for the 18 United Way agencies."

"Budgets of these agencies have already been cut to the bone."

"The sum of \$425,000 is what we must have to keep from eliminating some of the services they perform."

"We reached our goal just last year, and with the cooperation of the entire community, we can do it again."

"That's why we're asking for everyone's help."

## Soldier 'prank': treat

15 for tear gas fumes

Fifteen persons were treated and then released at 9:30 p.m. Friday after being over-

come by fumes from a tear gas canister which was reported set off inside the Pete and Mary's Tavern, 2409 Lincoln Ave.

Police report that when they arrived at the tavern more than 100 people were standing outside the building, many of them crying and apparently ill.

Ambulances transported the 15. Acting on confidential information, police at 8:30 a.m. yesterday picked up an 18-year-old Army private who was in Granite City on a pass from Fort Leonard Wood, Mo., for the weekend and questioned him.

The soldier admitted throwing the tear gas canister "as a prank." He said he tasted across the street and watched the customers run from the tavern.

He added that he purchased the U.S. Army tear gas grenade

from another soldier in Colorado.

A 19-year-old private was with him but did not participate in throwing the grenade, officials were told.

The 18-year-old was allowed to return yesterday to Ft. Leonard Wood pending the outcome of discussions with the Madison County state's attorney and military authorities.

Those treated were: Richard Carney, 44, of 2418 East 24th St. and his son Jeffrey, 10; Doris Ward, 40, of 2032 Dewey Ave.; Dorothy Petrillo, 50, of 1628 Olive St.

Delmar Hirte, 56, of 4010 Braden Ave.; Robert Bryant, 44, of 221 Cleveland Blvd.; Ernest Robertson, 41, and Marcella Robertson, 56, both of 3801 Lake Drive.

Helen Maygar, 68, of 2339 Lincoln Ave.; Sharon Sampson, 20, of 1937 Grand Ave.; Gladys Freeman, 44, of 119 Briarcliff Drive; Thyllis Smith, 31, of 745 Broadway; Mona Bryant, 44, of 2008 Oregon Ave.; Leona Clark, 63, Wood River; and Sebastian Pope, 72, Wood River.

They reported at first they thought it was a fire after seeing a puff of smoke, but then realized it was tear gas.

The canister thrown inside the building was later found near a rear entrance.

Police exams at Madison

The Madison Board of Police Commissioners will conduct examinations to fill the eligibility list for probationary policemen at 7 p.m. Thursday, Sept. 26, at the City Hall.

Applications are available at the present time from the desk clerk at the police station.

Applicants must be between 21 and 35 years of age and have a continuous residence in the city of Madison for five years.

Services for Mrs. Padrock

Funeral services were held last week in Birchtree, Mo., for Mrs. Letitia (Richardson) Padrock, 72, of St. Louis, a former Granite City resident.

She was the mother of Lynn E. Hill of Granite City and Mrs. Leah Schackelford, Paris, Tenn.

Mrs. Padrock was born in Eminence, Mo., and resided in Granite City several years in the 1930s. She died Aug. 25 at St. Anthony's Hospital, St. Louis, from complications following surgery three days earlier. She had been at the hospital two and one-half weeks.

Services were held at a Birchtree, Mo., funeral home and burial was in Pine Lawn Cemetery, Winona, Mo.

MOBILE HOME LOOTED

Items valued at more than \$4,000 were stolen from the mobile home of Elvin Simpson, 323 Chouteau Ave., Mitchell, it was reported at 1:15 p.m. Friday. A door was pried open. Taken were two tape players, a color television, two shotguns, a movie camera and a projector, jewelry and some clothing.

## Death notices

BISHOP, MRS. LAURA M. (Daniels), 2860 Washington Ave. Entered into rest 10:35 a.m. Friday, Sept. 6, 1974, at St. Elizabeth Hospital.

# Madison passing offset by Wentzville runs in 33-12 game

An improved season is anticipated for the Madison High School football Trojans this fall, and the passing attack was impressive in the 1974 opener Saturday afternoon at MHS.

But a possible victory will have to await the visit by Alton Marquette here at noon Saturday, Sept. 14. Wentzville, Mo., unleashed a formidable ground game against the Trojans in their initial outing to triumph, 33-12.

Madison will be the only Quad-City eleven in action Saturday, but both Granite City grid teams have games this Friday, Sept. 13. North hosting Collinsville and South visiting Riverview Gardens for 8 p.m. encounters.

There was no particular turning point in the game with Wentzville. The

visitors scored early and often. The Trojans were able to move the ball consistently, but were able to push across touchdowns only the second and fourth periods.

The Indians' 7-0 advantage at the end of the first quarter was the result of a drive from their own 33-yard line. Quarterback Chris Kelley fired a five-yard TD pass to Frank Gentile, and Mike Terrell kicked the extra point.

Early in the second quarter, Kelley fumbled on the MHS four-yard line and Kevin Werner of Madison picked up the ball and ran for a touchdown. The extra point kick failed, leaving Wentzville ahead 7-6.

A 65-yard Indian drive ended with Mike Roney running five yards up the middle for a touch-

down. When the kick failed, the score remained 13-6. With two minutes left before halftime, Frank Martell capped a 56-yard scoring march with a 25-yard run. Ron Carlson ran for a two-point play and a 21-6 edge.

Wentzville added six points in the third quarter, moving from its own 40 to the Trojan 22, from where Rackley rambled for another touchdown.

In the fourth period, Kelley threw a 42-yard touchdown pass to Greg Thourgoodman. The kick attempt was off target. Madison's final touchdown was scored by Mike Stanley, 5-10, 188-pound senior fullback, on a handoff from Quarterback Emmett Timmons. The play covered three yards.

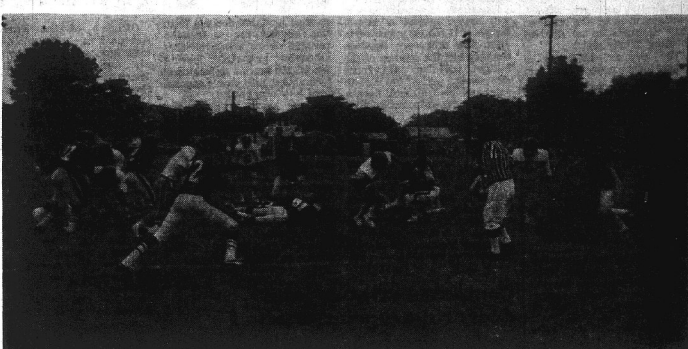

Stanley gained 40 yards and Joe Young 31 for Madison, and

Timmons earned 119 yards with six pass completions—five to Kevin Werner and a 20-yarder to Harold Williams.

The Trojans totaled 137 yards in rushing plays for a grand total of 266 yards, compared to the Indians' 256 on the ground and 50 yards from three successful passes. The visitors had a 14-12 edge in first downs.

One MHS pass was intercepted, and fumbles lost totaled three for the visitors and six for Madison.

Rackley was the chief problem, garnering 164 yards on 24 carries. Leading Madison tacklers were Young, nine, and Kevin Ditch and Darryl Franklin, eight each.

MADISON FOOTBALL OPENER here Saturday afternoon saw the Wentzville, Mo., eleven prevail by a 33-12 score. This action scene shows a visiting griddle

crossing the goal for a Wentzville touchdown. Quarter scores in the initial 1974 Trojan varsity game were 7-0, 21-6 and 27-6, with each team tallying a fourth-period TD.

## South wins 10-1; strong Kahoks next

The Granite City South soccer Warriors play at Collinsville at 6:30 p.m. Wednesday, fresh from a 10-1 victory Saturday at home over Chicago's St. Ignace.

Soccer mentor Gene Baker views the contest at Collinsville as "important; it should shape the Southwestern Conference competition."

Baker said he was pleased with South's performance here during the weekend, and cited Charlie Bennington's five goals in the win over St. Ignace.

The Warriors blunted the enemy's goal with 33 attempts

while the visitors got only two shots on goal.

Senior Dave Sheridan popped in three goals and had three assists. Teno Valencia, a first-year starter, added one to the score.

One of the most unusual methods of scoring came off the foot of Rich Becherer. Baker said the athlete put the ball in the net on a corner kick. "The ball just swerved around the goal post and into the net,"

The coach commended Goalies Keith Kibert and Mike Mason, who split the goalkeeping duties.

## Harriers 6th, 19th

GCIS South and North harriers Saturday gave their respective schools sixth and 19th-place cross-country finishes in the 27-school Columbia Invitational. Edwardsville's Mark Sawyer led his team to a 62-point victory in 14 minutes, 46 seconds at the 2.8 mile course. Alton placed second with 72 points.

South's sixth place in the meet, 197 points, was sparked by 12th place individual finisher Dwayne Terry, in 15:32.

Next on a corner kick. "The ball just swerved around the goal post and into the net,"

The coach commended Goalies Keith Kibert and Mike Mason, who split the goalkeeping duties.

## Fast pitch tourney opens here Tuesday

The fourth annual Invitational Fast Pitch Tournament will begin here Tuesday with six softball teams fighting for the championship.

The tourney was started in 1971 by a group of local men for basically nostalgic purposes, George Cook, tournament coordinator, related.

Teams participating in the double-elimination meet are

Tri-City Maroons, GC Eagles, Chargers, Hook's Tavern, Martinizing Cleaners and Livingston.

At Wilton Park, Livingston and Cleaners will meet at 6 p.m. tomorrow and the victor will oppose the Eagles at 6 p.m. Wednesday.

At Worthen Park, Hook's and Chargers will collide at 6 p.m. Tuesday, the winner going against the Maroons at 6 p.m. Wednesday.

Losers are to play Thursday night, and competition will continue on Friday, Saturday and Sunday.

LADIES CLASSIC LEAGUE Thursday at Bowling

Butler Floor 992, 2940. Vickie Ellis, 213, 525, Jo

Albers 191, 199, 525, Cheryl Buehler 198, 538, Jan Pitts 182,

Mary Ruth Meni 202, 190, 541, Gaylene Jacobs 181, 184, 537,

St. Johnson 181, 518, Jerry Rill 201, 187, 536, Sandra Pumphrey 290, 515.

Rita Blum 198, 206, 511, Betty Summers 202, 523, Marie Bauer 175, 191, 514, Polly Robertson 182,

209, 558, Mary Paschoff 178, Bert Pucker 183, Vickie Billinger 513, Don Avedisian 180.

Victory first handed the Merchants a 10-4 loss Saturday. Because neither team had yet suffered two losses, the repeat game was played.

## Crash during feature race

Ballwin, Mo.'s, Kenny Schrader piloted his late model sports car to victory Friday evening at Tri-City Speedway here in a crash-marred feature race. It was the 19-year-old driver's first dirt track win of the season.

A full-lap crash on the back-straightaway of the half-mile oval involved current point leader Len Gittermeier and last week's race winner, Kevin Gundaker. They tangled while battling for the front position.

Gittermeier's race car was extensively damaged when it vaulted over the guard rail and rolled over several times, launching a tripleheader program which will include midjet auto racing.

In other late model division events, victors were: Fastest qualifier, C.C. Corbin, 26.61 seconds, 1st heat, Gundaker; 2nd heat, Mike Glass; 3rd heat, Corbin; handicaps, Gene Mellows; semi-event, Russ Wallace.

Sportsman class event winners were: 1st heat, Gary Wallace; 2nd heat, John Wolfmeier; and feature, Barker, Jack Yates, Granite City, was second and Rod Bailey, Granite City, third.

Stock car racing will resume at 7:30 p.m. this Saturday with time trials. At 8:30 p.m., the first racing event will begin, launching a tripleheader program which will include midjet auto racing.

## Madison Amvets win in tourney

The Madison Amvets Thursday defeated Millie & Mickey's 11-8 in the only Rufus Ketter men's softball tournament semi-final game played. The remaining games were rescheduled for this Saturday due to a conflict with the delayed Labor Day men's tourney.

The Ketter meet will resume at 7 p.m. Saturday at Worthen Park with American Legion Post 307 meeting L&W Movers; at 8 p.m. Granite City Post L&W victory; at 9 p.m., the Madison Amvets and the winner of the 8 p.m. contest will meet for the championship.

## Madison levy drops slightly

A new tax levy of \$300,000 for the 1974 tax year, a drop of \$1,820 below last year's levy, was approved by the Madison City Council in a special meeting Friday night.

The levy extends taxes of \$45,000 for the general fund, and

\$254,420 to pay operating costs in 12 special accounts.

Tax funds raised by the levy will apply against a 1974-75 budget of \$1,060,182 approved in July. The difference between the levy and the amount of the budget will be paid from city revenue in the form of state sales and income taxes, license fees, permits and sources other than taxation.

Only minor changes occurred in the levies for nine of the special accounts, while the levies in three other accounts were unchanged from last year.

In addition to the taxes extended by levy, the ordinance also includes provisions for extension of a 5-cent rate for the working cash fund.

The levy ordinance itemized a total of \$744,033 needed in the

GRANITE CITY PRESS-RECORD Mon., Sept. 9, 1974 Page 8

general fund, but deducts from this amount the anticipated revenue from other sources amounting to \$632,570, leaving the \$45,000 needed to be raised by taxation. Last year's general fund levy was \$48,250.

In the special accounts, the levy includes \$1,500 for auditing, \$18,250 for street purposes, \$27,280 for fire protection, \$27,380 for police protection, \$10,180 for liability insurance, \$3,400 for public improvements, \$40,000 for police pensions, \$36,500 for garbage collection, \$2,900 for the public library, \$1,500 for civil defense, \$16,430 for recreation and \$50,000 for the municipal retirement fund.

## Parents confer on gifted education

Officers of the Parents Association for Gifted Education met at the home of Mr. and Mrs. Larry King Thursday evening to establish specific goals and to adopt a Philosophy.

The group also drafted a statement for the Board of Education, and discussed the program for its first public meeting on Sept. 19.

The officers formulated the following questionnaire for the parents of all students in the Granite City district:

1. "Do you know what 'gifted' means?"
2. "Do you know if your children are gifted?"
3. "Do you know if your children have been tested for giftedness?"
4. "Do you want your children tested for giftedness?"

## Seminar at Koinonia Center

A 12-week interdenominational teaching seminar will begin Monday, Sept. 16, at the Koinonia Center, 24th Street and Madison Avenue, at 7:30 p.m.

This seminar is a sequel to the one sponsored last spring in Alton by the Full Gospel Businessmen's Fellowship. Lessons on the following biblical themes will be presented: Divine Healing, Gift of Faith, Sanctification, Spiritual Warfare, and Temptation.

The seminar instructor will be the Rev. Rodney G. Latham of Valley Park, Mo., a former

5. "Do you know in which area(s) your children are 'gifted'?"

"If you would like to know the answers to these or any other questions concerning the gifted, call your school principal and Alan Crider, director of gifted program, at the board office (676-6000).

"If, for any reason, you are interested in gifted children and their being educated to their full potential, contact Parents Association for Gifted Education (PAGE)."

It was noted that the group's address is: Don E. Conley, Chairman, P.O. Box 433, Granite City, Ill. 62040.

The PAGE telephone number is 876-3006.

The Sept. 19 meeting will begin at 7 p.m. at the 300 Room of Tri Mor Bowl.

## Hospital Notes

Patients admitted to St. Elizabeth Hospital Friday:

Etta Deaver, 1510 Kirkpatrick; Lillian C. Batson, Hartford; Kellee Blochberger, 11 yrs., 39 Moorland Dr.; Michael M. Moore, 7 yrs., E. St. Louis; George C. Key, Edwardsville.

Charles D. Jarman, 1705 Mitchell; Andrew L. Jones, 215 Harrison; Richard D. Robertson, 4 yrs., 3151 Myrtle; Christine L. Cox, 1917 Benton; Vern U. Hines, 321 Sunny Shore; Diana Stufflebean, Glen Carbon; Crystal Kee, 2028 Ohio; Carolyn Stearns, 1 Terrace Lane; Lawrence F. Tanner, Brooklyn; Patsy R. Lindsay, 2243 Delmar.

Donna J. Morgan, 4 yrs., 1718 Edison; Jeri L. Vance, 123 Briarcliff; William L. McFall, 2933 Morgan; Louis Grammer, 801 Kirkpatrick; Edward J. Trautman, 1716 Courtenay.

Mary G. Yakubik, 1315 Washington Ave., Madison; Linda A. Brawley, 2163a Benton; Patrick Wagner, R.R. 2, Collinsville; Mary Jane Weldon, 2421 Missouri; Charles Winder, 2440 Madison Ave.; Donald Overly, E. St. Louis.

Patients admitted to St. Elizabeth Hospital, Saturday:

Janet Smith, 127 Briarcliff; Michael Dawson, 2½, of 805 Kirkpatrick; Cora Sparks, Colonial Haven Nursing Home; Flora Bates, Collinsville; Irene Moore, 4515 Nameoki; Shirley Tucker, 1317 Madison; Madison; Ruth Morgan, Collinsville; Jean Pritchard, 2404 Cardinal; Cheri Ellison, 2038 Missouri.

Larry Eads, 13, of Cahokia; Pamela Vasquez, 2121 Edison; Henry Schilling, 3822 Nameoki; Clarence Anderson, 2228 Iowa; Rudolph Mayer, Davenport, Iowa; Joyce Whitehead, Wanda, Ill.; Alfred Stroke, 2013 Russell; Kathleen Cruise, 2902 Myrtle; Lillian Fowler, 2226 Iowa.

TAKES MONEY BY FRAUD

A young woman stole \$250 from Mrs. Retha Miller, 3219 Maryville road, apartment 2, at Mrs. Miller's home at 1:30 a.m. Sunday. Police were told that the young woman told Mrs. Miller that her daughter was in jail, which was not true. The woman said she needed the money for Mrs. Miller's daughter's bail.

BOWLING LEAGUES NOW FORMING AT TRIMOR

## Federal trade specialist will confer here Sept. 19

A U.S. Department of Commerce trade specialist will visit Granite City Thursday morning, Sept. 19, to confer with area business firms on developing trade.

He is Roy Dube of the Chicago regional office of the department.

## G. C. Waterman dies at 57

George Charles Waterman, 57, of 1924 Cleveland Blvd., ill for two years, died at 1 a.m. Sunday at the Veterans Hospital, Leavenworth, Kan., where he had been a patient seven weeks.

He was born in Mounds, Ill., and resided in Chicago, and Wichita, Kan., prior to moving to this area.

Mr. Waterman was employed for 10 years with the Michael Centenne Realtors in Chicago. He was a member of the Christian Church and belonged

to the Veterans of Foreign Wars in Wichita, Kan. Survivors include a daughter, Mrs. Michael (Judith Ann) Trollope of Ann Arbor, Mich.; two sons, George Owen Waterman of Kansas City, Kan., and Richard Allan Waterman of Denver, Colo.; his mother, Mrs. Mae Waterman of Granite City; one sister, Miss Virginia Waterman of Granite City and two grandchildren. Funeral arrangements are given in the obituary column.

## Mrs. Laura Bishop dies

Mrs. Laura M. (Daniels) Bishop, 89, of 2860 Washington Ave., died at 10:35 a.m. Friday at St. Elizabeth Hospital where she had been a patient one week.

Born in Pearl, Ill., she resided in this area 72 years.

Mrs. Bishop was a member of Niedringhaus United Methodist Church and belonged to the

Daughters of Union Veterans. Her husband, Amos Harvey Bishop, died in 1970.

Survivors include a son, Kenneth Bishop of Granite City; a granddaughter, Mrs. Anthony (Sharon) Eck of Granite City and two great-grandchildren. Funeral services were held today. Details are given in the obituary column.

## Cyclist Larry Roberts killed

Larry E. Roberts, 25, of Lot 16, East 30 Trailer Court, Glen Carbon, a former Granite City resident, was pronounced dead on arrival at St. Elizabeth Hospital at 5 a.m. Saturday after he was injured in a motorcycle accident near Collinsville.

Madison County Sheriff's Department spokesman said a motorist on the Collinsville Beltline Highway (by-pass Route 40) east of Ill. Route 157, found Roberts about 4:28 a.m. when he saw a headlight of a motorcycle in a ditch alongside the road.

Authorities said they believe the motorcycle ran off the roadway but were unable to determine the cause of the accident. An inquest will be held.

Employed with the Federal

Reserve Bank in St. Louis for the past eight years as a computer supervisor, Mr. Roberts lived here from 1969 through 1971 before moving to Glen Carbon. He was born in Missouri.

He is survived by his wife, Mrs. Phyllis Roberts; a son, Kris Allen Roberts, Glen Carbon; a sister, Mrs. Mike (Nancy) Chapman of Salem, Mo.; maternal grandfather, Earl Moses of Salem, Mo.; paternal grandparents, Mr. and Mrs. Earl Roberts of Salem, Mo., and his parents, Mr. and Mrs. Henry (Lois) Roberts of Salem, Mo. Funeral arrangements are given in the obituary column.

## Evening Etude to attend Symphony

Mrs. Judy Owens, 3235 Willow Ave., was hostess last week to the Evening Etude Music Club. Plans were made for the group to attend bi-monthly events of the performing arts in the bi-state metropolitan area.

Club members will attend a performance of the St. Louis Symphony Orchestra, featuring guest pianist, French virtuoso Jean-Bernard Pommier, on Thursday, Oct. 3 at Powell Hall.

The program last week consisted of a review of the period of music and a piano number from the "Romantic Age," about 1880 to 1900, titled "Fifth Nocturne" written by Leysbach and played by Mrs. Jane Kozielek.

A musical game was led by Mrs. June Barton and prizes were won by Miss Elsie Mayvath and Mrs. Barbara Bryan.

The Nov. 4 meeting will be with Mrs. Rosemary Kaburek Wynne.

MR. AND MRS. JESS RINEHART, whose wedding took place at St. Elizabeth Catholic Church. The bride is the former Miss Robin Julia Greer, a daughter of Mr. and Mrs. James E. Greer, 5504 Maryville Road (Lazerty Photo)

## Reinhart-Greer nuptials at St. Elizabeth Church

Miss Robin Julia Greer, a daughter of Mr. and Mrs. James E. Greer Sr., 5504 Maryville Road, and Jess Giles Reinhart, son of Mr. and Mrs. James V. Reinhart, 4125 Kaseberg Lane, were united in marriage on Aug. 24 at St. Elizabeth Catholic Church.

The Rt. Rev. Msgr. Lawrence J. Mattingly officiated at the double ring ceremony at one o'clock in the afternoon. Nuptial selections, "The Twelfth of Never," "More" and "Eggs All We Know," were sung by Kay Clay, Mrs. Jane Kosielek presided at the organ.

For her wedding, the bride chose a gown of white lace over satin designed with a molded bodice, low square neckline and long lace sleeves tightly gathered at the wrists into narrow cuffs. The princess style skirt was full length.

Her melody length veil was bordered with scalloped lace and she carried a bouquet of yellow roses and lavender baby breath, festooned with white bows and streamers.

Maid of honor Miss Jean Greer, a sister of the bride; bridesmaids, Miss Terry Greco, Miss Shannon Marmion and Mrs. Michael Ramey; and junior bridesmaids, Misses Sandy Reinhart, a sister of the groom, and Jo Ellen Hoermann, the bride's cousin, wore identical dresses.

Their frocks were fashioned of white organdy flocked with purple roses over a lavender satin. They were designed in similar style to the bride's gown.

Each attendant wore a shoulder length veil accented with lavender love bows and carried a bouquet of orchid carnations and lily of the valley.

The groom chose Richard Reinhart, a cousin, to serve as best man. Fred J. Keith, Walters and Dave Nessel were groomsmen and Jerry Weller and Jack Douglas seated the guests.

Jim and Susy Hieleg, a niece and nephew of the groom, were the ringbearer and flower girl, respectively. She was dressed in a dress of white organdy flocked with purple roses made with a gathered skirt.

She wore a veil dotted with lavender bows and held a white basket of white and lavender roses.

Marla Greer and Pat Escorn attended the guest book at a reception held at the Long Lake Fireman's Hall.

Both mothers wore formal length gowns. Mrs. Greer, mother of the bride, chose a rosebud red crepe dress with an

## Debra Zaring becomes Mrs. Ron A. Hannigan

Miss Debra K. Zaring and Ron A. Hannigan exchanged wedding vows in a double ring ceremony performed by the Rt. Rev. Msgr. Lawrence J. Mattingly on Friday evening at St. Elizabeth Catholic Church.

Blue and white carnations adorned the altar and burning tapers in brass candelabra illuminated the sanctuary for the 7 o'clock service.

Mrs. Jane Kosielek presided at the organ and played "Ave Maria," "Sunrise, Sunset" and "Our Father."

Parents of the bride are Mr. and Mrs. Robert M. Zaring, 2604 Angela Drive. The groom resides at 3876 Rodney Drive. He is a son of Mrs. Emily Hannigan and Leo M. Hannigan, both of East St. Louis.

For her wedding, the bride wore a traditional gown of polyester sateau designed with an Empire bodice and sheer bishop sleeves.

She carried a bouquet of red roses and greenery.

Maid of honor, Miss Deborah Skollik, and bridesmaids, Mrs. Carol Nesbit, Mrs. Susan Zaring

and Mrs. Elizabeth Wegry, wore identically styled gowns in pastel blue organza.

Their full length dresses featured mandarin collars and bishop sleeves. A ruffle edged with a soft lace trim marked the Empire bodices and a gathered flounce at the hemline.

Each attendant wore a matching bow headpiece and held a natural wicker basket filled with roses and carnations.

The two flower girls, Kara Kosyodor and Jody Akridge, a cousin of the bride, wore blue frocks similar in style to the adult attendants' dresses.

Attending the groom as best man was Michael Wood. Groomsmen and ushers included Gary Nesbit, Philip Lauer, Rick Lee, a brother of the groom, and Robert M. and Edward M. Zaring, the bride's brothers.

A reception for guests was held at the Croatian Home in Madison immediately following the ceremony.

After a wedding trip to New Orleans and Florida, the newlyweds will reside in Granite City.

The former Miss Zaring graduated from St. Teresa Academy in East St. Louis and is employed as a cataloger at the East St. Louis Public Library.

Her husband was graduated from East St. Louis High School and attended Devry Technical School. He is now employed at Monsanto Co., St. Louis.

MRS. RON A. HANNIGAN, the former Miss Debra K. Zaring, who was married Friday evening at St. Elizabeth Catholic Church. She is a daughter of Mr. and Mrs. Robert M. Zaring, 2604 Angela Drive. (Ginghoffer Studio)

## Fatima Circle to elect

Our Lady of Fatima Circle 835, Daughters of Isabella, met Thursday night at the Knights of Columbus Hall to plan an election of officers for the Oct. 3 meeting.

Installation ceremonies were set for Oct. 27 at St. S. Peter and Paul Catholic Church, Collinsville.

Regent Mrs. Marianrose Lambert presided at the business session and Mrs. Mary Horvat opened the meeting with a prayer and the pledge of allegiance.

## Plaza House notes third anniversary

Dorothy Taylor, 2922 Cayuga St., was the winner of a huge orange teddy bear presented as an "anniversary award" by the Plaza House Beauty Supplies, 2500 Nameoki Road, the owner, Shirley J. Pope, announced last week.

The award presentation, marking the firm's third anniversary, was made by Nola Clutz, assistant manager. Todd J. Pope, son of the business owner, also is employed at the local beauty supply firm.

Mrs. Lambert welcomed a new member, Mrs. Ann Oettie, and reported on the national convention held in Boston during August. Also attending the convention from here were Mesdames Vera Carey, Clara Schilling, Dorothy Hoedebeck and Dell Miller.

Other plans reviewed include a diocesan meeting Sept. 28 at the Round Table Restaurant, Collinsville, and a corporate communion on Sept. 29 at St. Mark's Catholic Church, Venice, at the 10 a.m. mass.

Refreshments were served by Mrs. Clara Reiss and committee members Helen Oberlin, Esther Farr, Ann Mokri, Irma Manning, Olive Sigle, Marie Zimmer and Mary Yebby.

## "WE'RE ON THE ENERGY TEAM!"

"In school I learned we need to save energy, so I keep reminding Mom and Dad to turn off the lights." Families throughout America can conserve energy by having oil burners adjusted...insulating their houses, thereby saving fuel...cutting down a bit on air conditioning and heating...repairing leaky hot-water faucets.

"I'm working on new ways to produce energy. And my company is drilling hundreds more oil wells this year than last." America's oil companies are helping develop other energy sources too—like oil from shale, gas from coal, and safe nuclear power. In a couple of years, oil companies will be refining a lot more products.

But there's still a big job to do—let's keep working together

## Secretarial seminar Sept. 28

Secretarial students from both Granite City High Schools, together with other area students, will receive a reduced rate to encourage their attendance at a one-day seminar on Sept. 28, sponsored by the Tri-Cities Chapter of the National Secretaries Association and Belleville Area College.

Mrs. Bulley Gracey, chapter president, said students may attend the seminar at a cost of \$3.50. Other participants will pay \$9 per person.

Reservations can be made by contacting Mrs. Gracey, at 931-3390, or Mrs. Anne Smith, chapter vice-president, at 235-2700, Extension 291 (office).

Planned by BAC's office occupations department staff and Mrs. Smith, the seminar will open with registration, a continental breakfast and an exhibit display in the main lobby at Belleville Area College, 2500 Carlyle Road, Belleville.

Four concurrent workshops are scheduled from 9:30 a.m. until 12:30 p.m., with participants selecting a specific subject. Workshop topics are: Human Relations; Effective Writing; Body Language; and Time Stretcher.

Lunch will be served from

12:30 to 1:30 p.m. and entertainment will follow by the Belleville Area College drama choir, under the direction of Dr. Jack Stokes, until 2 p.m.

The keynote speaker, Dr. William Cash, management consultant, will address the

## GC parents group announces events

Events planned by Granite City Chapter 470, Parents Without Partners, include a swim-watermelon party Saturday at the Greenboro Mobile Home Court, Edwardsville, and a children's bowling session Sunday from 2 to 4 p.m. at Brunswick Tri-Mor Bowl.

Walter Bergfield, chapter president, said a discussion group will meet Sept. 18 at the home of Truman Hufford, 1933 Maple St., and members will visit the LaSalle Restaurant, St. Louis, on Sept. 20.

Also arranged this month are a family barbecue at Wilson Park, starting at 1 p.m. Sept. 22; a chapter meeting at 8 p.m. Sept. 25 at the Granite City Jaycee Clubhouse, 1855 Poplar St.; and a Saturday night social, also at the Jaycee Clubhouse, on Sept. 28.

# YOUR NEW CAR

There's more to buying your new car than deciding on make, model, color and price. There's where to buy it... and where better than your own Quad City auto dealer, your neighbor with "service after the sale." ## Agronomy Day Thursday

By RON CORNWELL  
Agricultural Extension Adviser  
Madison County farmers will want to mark Thursday, Sept. 12, on their calendar. That's the date for the 1974 University of Illinois Agronomy Day on the Agronomy South Farm in Urbana.

It's a good day for Madison County farmers to chat with agronomists and catch up on the latest research programs aimed at finding new solutions to agricultural problems.

There will be 16 research steps on the Agronomy Day tour this year. Topics to be discussed

include high lysine corn, precision weed control, tiller loss by denitrification, the soybeans' role in nitrogen balance, 1974-75 crop outlook and efficient fertilizer utilization.

The first tour starts at 7:30 a.m. and new tours start every 10 minutes thereafter until 1 p.m.

Any Madison County farmers interested in attending the agronomy field tour should contact the University of Illinois Cooperative Extension office at 900 Hillsboro Ave., Edwardsville, so arrangements can be made to pool transportation.

With the high cost of production of field crops, it is important that high quality seed be used. With wheat seeding time near, now is the time to be considering the source of wheat seed.

Many farmers in Madison County save their own wheat seed. To be sure that you are seeding good seed, you may want to run a germination test.

Madison County farmers can send wheat samples to: State of Illinois, Department of Agriculture, Division of Plant Industry, Emerson Building, Fairgrounds, Springfield, Ill., for a germination test.

There is no charge for the first five samples sent to the laboratory each year by an individual farmer. After five samples, the regular fee is \$2 for purity analysis and \$2 for a germination test.

The laboratory requires 1½ pounds of wheat, oats, rye or barley for a purity and germination test.

Any samples sent to Springfield for germination testing should be properly identified with the name and address of the sender.

What is the best date to seed wheat in Madison County? The answer to this will depend on the variety of wheat you plan to use this fall.

For a wheat variety susceptible to Hessian Fly damage, you should not seed before fly free date. If you plan to seed ahead of fly free date, you must use a fly resistant variety.

Fly free date for Madison County is Oct. 7 to 9 this year. University of Illinois entomologists report that Hessian Fly populations in wheat are

low this year over the state. However, this sort of wheat has the highest fly count this year of any area in Illinois.

Even though fly populations are low this year, it is a good idea to use good management and avoid any potential fly problems in wheat fields.

To avoid fly buildup, it is a good idea to destroy all volunteer wheat by mid-September.

Volunteer wheat provides a place for fall buildup of Hessian flies, resulting in an increased number next spring. Volunteer wheat can benefit the fly as much as early seeding.

Seed wheat on or after the fly free date. Such dates depend on latitude.

The flies emerge first in the northern counties and progress southward from mid-September to mid-October.

If you do seed early, use a resistant variety such as Abe, Arthur 71, Benhur, Knox 62 or Oasis and the hard wheat Parker are reasonably resistant.

The Hessian fly is continually developing new races. A new race is sometimes able to survive on a resistant variety. Therefore, observe the fly free date as best you can even when using a resistant variety.

Each year with the first cool weather in the fall, insects start moving inside for winter protection.

If this is a problem for you each fall, you will want to spray the outside foundation of your home to prevent insect invasion.

Ants, spiders, crickets and other crawling pests can be controlled by spraying the foundation with a one per cent emulsion of chlordane and water.

Spray the outside foundation wall of the home from the ground to the sill or about a foot above the ground. In addition, spray 3 to 6 inches of the soil adjacent to the wall as well as the expansion joints along the porches and steps.

You can obtain additional information about using a foundation spray by requesting a copy of Circular 887 "Keeping Outdoor Pests Out of Your Home" from the University of Illinois Cooperative Extension office, 900 Hillsboro, Edwardsville.

## GRANITE CITY PRESS-RECORD

Mon. Sept. 9, 1974 Page 10

### Madison free meal policy

Madison Community Unit District 12 schools have announced their policy for free milk and free meals for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk programs.

School officials have adopted the following family size and income criteria for determining eligibility: Family size of one through 12, income determining eligibility for free meals, \$2,910, \$3,830, \$4,740, \$5,640, \$6,480, \$7,310, \$8,060, \$8,810, \$9,510, \$10,190, \$10,860, \$11,520.

For each additional family member the limits are \$670 for free meals.

Children from families whose income is at or below the levels shown are eligible for free meals and free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases, foster children also are eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his race, sex, color, or national origin.

For any further assistance or if income changes during the year, parents may contact John L. Paicheff, superintendent of schools.

## Viral disease kills some animals on Illinois farms

By MARY LOU MANNING  
Press-Record  
Springfield Bureau

Pseudorabies, or Aujeszky's disease, or the "mad itch" is a viral disease usually fatal to young pigs and heifers. Reports of it are rare in the U.S.

However, during the first six months of 1974, severe losses of swine have occurred on 10 farms in two Central Illinois counties.

Of 1,800 pigs under seven weeks of age which were on the farms during this period, 1,400 died of the disease, according to the Illinois Department of Agriculture.

An additional 55 litters farrowed during the outbreaks were born dead, and 13 dogs living on these farms and exhibiting symptoms of the "mad itch" also died. The remaining affected were Pike and Calhoun.

"This is an unusual occurrence," explained Dr. Paul Doby, head of the IDA division of meat, poultry and livestock inspection. "This is the first time I've been aware of anything this magnitude."

Doby pointed out that the disease is generally reported when swine have been placed in a cattle feed lot following the cattle, which are more susceptible to it. Older swine are primary carriers of the disease, and abortion problems are prevalent.

"Any time a carrier is involved in a disease, it is already ahead of us," he commented. The disease runs its course rapidly, with most animals dying within a day or two.

Because it is a disease involving the nervous system, animals infected appear to go "crazy." For example, these actions were reported before the Central Illinois piglets succumbed, according to the IDA.

"They began wandering in a confused, 'goofy' state, with those unconfined traveling far and wide, often getting in the road and tangled in fences."

"Most of them weaved their heads from side to side, walked in circles and developed a paralysis."

"Some time in past history, the disease was misdiagnosed as rabies, thereby giving it the label 'pseudorabies,'" Doby said.

There is evidence it occurred as far back as 1883 in Ohio, where it was referred to as the "mad itch."

"Often an animal will actually tear up fences rubbing its body," the superintendent said. It was not until 1902 that a Hungarian named Aujeszky first described the disease in scientific literature.

"There is no vaccine, no treatment for pseudorabies," he related.

"This probably stems from the fact that the disease is not prevalent enough or the priorities high enough to warrant extensive research."

State law requires that cases of the "mad itch" be reported to the division. Failure to report a suspected case immediately may result in a fine of up to \$1,000.

## GC school board studies limit on no-bid purchases

A proposal that the Granite City Board of Education revise its policy calling for prior board approval of all purchases of more than \$150, except in emergency situations, has been referred by the board to its policy committee.

Dr. George Moore Sr. cited several emergency purchases of over \$150 which were being presented for approval and requested that the \$150 figure be increased.

"Inflation is pushing everything up so fast, I don't think we can hold to the \$150 figure," he said in suggesting the issue be referred to the policy committee.

Board Treasurer L. Monroe Worthen responded, "The intent is to curtail the outright purchases of things, not on an emergency basis, of all the things they (the administration) just do not want to bother to bid. At this point, I am not convinced at all this is necessary."

It was noted that the limit for purchases without bidding, except in emergencies, in the state government is \$2,500 and the board of education could go as high as that figure, if it sees fit.

After discussion, Worthen voted with the remainder of the board to refer the issue to the policy committee for study and a recommendation.

Several emergency purchases and expenditures were approved by the board in-

cluding \$694 to the York Division of Borg Warner to repair an air conditioning unit at Grigley Junior High School to prevent further damage; a \$420 expenditure to Amico Plumbing and Heating Co. to place an extension on a fire hydrant at Granite City High School North which could not be used until extended; and \$389 to Audio Electronics for two calls to repair public address systems at GCIS South, one for the main system and the other on the outdoor system for graduation ceremonies.

Another emergency expenditure was \$261 for repair of a freezer at Coolidge Junior High School in which the compressor had failed.

The AAA Equipment Service Co. was paid \$228 to repair the lift truck used in the district's warehouse, the board was told. Trucks were borrowed from Tri-City Grocery Co. and Tarlans Meat Co. to keep merchandise moving during repairs.

Also expended on an emergency basis was \$214 to repair a mimeograph machine at Nameoki School. A. B. Dick Co. was authorized to recondition the machine and repair it. A new machine would have cost \$325, it was noted.

Prestige Printing Co. was authorized to print 2,000 copies of the program for the GCIS North-South football game on an emergency basis for \$124, about 30 percent higher than last year. They had to be or-

dered on an emergency basis because time would not allow bidding. Printing of subsequent games will be done at \$113 per 2,000 programs, it was indicated.

The board awarded a \$3,200 contract to A.C.E. plastics, Inc., to supply polycarbonate plastic for window glazing; a \$200 contract to Western Auto to supply 55 gallons of anti-freeze for school district vehicles; and a \$1,150 contract to Graybar Electric Co. for fluorescent lighting fixtures.

Graybar also was awarded a \$236 contract and Illinois Electric Works won a \$518 contract, both to purchase electrical supplies for the district.

The purchase of two Thermo Fax Copy Machines for replacement purposes at a cost of \$285 was approved. The board also authorized purchases for the Industrial Arts Construction Program from McKnight Publishing Co. totaling \$410 for Coolidge Junior High School, \$84 for Prather and \$894 for Grigley. Included are film strip sets, working drawings, small pre-cut window frames and other scale-sized items.

Also for the construction program, the board agreed to purchase imitation grass for model home landscaping for \$241 from the Small Sales Co. of Shawnee Mission, Kan. Tully A. Heubner, director of buildings and grounds, was requested to meet with Lionel Portelli, Granite City street superintendent, to ask if the city can help provide proper drainage in front of a house the construction students built on Clark Avenue.

Bills ordered paid included \$72,451 from the educational fund; \$49,284 from the building fund; \$2,189 from federal funds; \$253 from the joint agreement fund; and \$12,594 in cafeteria bills.

## Added funds for day care centers

More than \$3 million in additional state support will begin flowing out to Illinois day care centers serving low-income families within the next few weeks, according to Mary Lee Leahy, acting director of the state Department of Children and Family Services (DCFS). About \$2 million will be pumped into about 100 centers under a new rate system which took effect Sept. 1, Mrs. Leahy said. The department will purchase a guaranteed number of child care spaces from each center.

Included is the Alton Day Care Center.

Reimbursement will range from \$5.50 per child per day in Southern Illinois to \$7.50 per day in Chicago and Northern Illinois.

Some centers which provide infant care or special services through a central agency administration may receive even higher rates, Mrs. Leahy noted. Previously, DCFS financial support to day care centers was based on annual budgets submitted by the centers. Reimbursement ranged from \$3 to \$10 a day per child.

The new rate system was reviewed and approved by the department's 25-member advisory committee on day care, and the Day Care Crisis Council of Metropolitan Chicago.

Sylvia Cotton, president of the board of the council, an independent "watchdog" organization, hailed the new

rates as a giant step toward expansion and improvement of day care services throughout the state.

Mrs. Leahy said other added day care funds authorized by the governor will be used to purchase day care services for children in families in which neglect has been reported to the department.

"Gov. Dan Walker has demonstrated his commitment to children's services," Mrs. Leahy commented, "by authorizing a 44 percent increase in funding of day care in this fiscal year."

"We are seeking to get those dollars into the hands of agencies serving poor families as quickly as possible," Mrs. Leahy said.

Mrs. Leahy said she expects many centers to expand services to both children and families and to invest some added funds in training programs to help workers better understand children and their needs.

The new financial support will allow centers to meet new federal minimum wage requirements and to grant cost-of-living salary increases to employees, she said.

Added funds also are earmarked to expand services at day care centers for school-age children of working parents who often fend for themselves after school lets out until the parent returns home from work or work training.

## Student internships open

The state education office is looking for two outstanding high school juniors or seniors for a one-week internship in Washington, D.C., under the Senate Youth Program Feb. 14, 1975, to learn firsthand about public issues and the operations of the federal government.

Two student leaders from each state will be sent to Washington, D.C., under the Senate Youth Program Feb. 14, 1975, to learn firsthand about public issues and the operations of the federal government.

The program, now in its 13th year, is sponsored by the William Randolph Hearst Foundation in cooperation with the U.S. Senate. Last year's Illinois interns were Mary Helen Baber of Paris and Paul Hyuk of Elmhurst.

Activities the students will participate in include briefings at the Defense Department, State Department, Department of Justice and the U.S. Supreme Court, as well as meetings with Congressional and other government leaders.

Information on the program has been sent to all public and accredited private high schools in Illinois. Application forms must be submitted to the Office of the Superintendent of Public Instruction by Oct. 1. Winners and runners-up will be notified Nov. 1.

To qualify, students must be elected officers of their student body, student council or class. Finalists will be chosen on the basis of interest in government, participation in school government and other school and community activities. Selections will be made by a committee from the Office of the Superintendent of Public Instruction.

Semi-finalists in the program will be invited to General Assembly Day in Springfield during Spring of 1975 to tour state government.

**Files suit**  
Robert Eddings has filed a suit in Madison County Circuit Court seeking \$200,000 from the Terminal Railroad Association of St. Louis. Eddings alleges that on June 10, 1974, while employed as an engineer, he was caused to injure himself by falling on a air hose. He charges the railroad negligently left the hose near the engine that he was on.

## St. Joseph Church scene of Bollam-Koch wedding

The wedding of Miss Josephine Michel Koch and James Richard Bollam Jr., was solemnized in a candlelight setting at St. Joseph Catholic Church at 6:30 Saturday evening, with the Rev. Henry Koch officiating. Assisting at the service was the Rev. Mr. John W. Sleske.

MRS. JAMES R. BOLLAM JR., whose wedding took place Saturday evening at St. Joseph Catholic Church. The bride is the former Miss Josephine Michel Koch, a daughter of Dr. Felicia D. Koch, 2641 Edison Ave., and the late Dr. Joseph M. Koch. (Henry Sleske)

## Schedule second women's workshop

Enrollment for a one-day workshop for women at Southern Illinois University at Edwardsville Sept. 10 has been halted at 100 and a second conference has been set for Sept. 25. Brooks Holder, assistant dean of general studies, has announced.

## Friends reunited on aerial tramway

Mr. and Mrs. Joe Hill, 3344 Maryville Road, have returned home after attending the 78th annual meeting of the American Institute of Chemical Engineers in Salt Lake City, Utah.

Among the highlights of the trip was an evening spent at Snowbird, a ski resort in Little Cottonwood Canyon in the Wasatch National Forest.

While on an aerial tramway, which passengers ride up a vertical rise of 2,900 feet to the 11,000 foot summit of Hidden Peak Mountain, the local residents reported meeting Mr. and Mrs. Walt Lochmann of Woodland Hills, Calif. Mrs. Lochmann is the former Marge Kovach, whose parents, Mr. and Mrs. John Kovach, reside at 2501 Madison Ave.

Mrs. Hill, the former Genevieve Bytner, and Mrs. Lochmann had not seen each other for over 20 years, they noted.

"We've already had more people registering for the conference than we anticipated. Obviously, the interest in women going back to college or to work is great," Holder said. Programs for the two conferences will be the same.

The Sept. 25 conference will be in the Mississippi-Illinois rooms of the University Center from 9 a.m. to 3 p.m. The registration fee will be \$5. No baby sitting service will be offered at the second conference.

"We are developing plans for a five-week workshop for women in October," Holder said, with sessions to be held one day each week.

He said SIUE is "trying to help women move from just thinking about their future to actually preparing for it. We will point out what kinds of remedial or brushup courses are available and we will work with them in developing personal employment resumes," he said.

SIUE also will help women register with national organizations which employ women, Holder reported.

HOME BURGLARIZED June Buckingham, 405 Madison Ave., reported at 1:44 a.m. Saturday, that someone entered her home and removed clothing, a portable TV, a window fan, and food.

lector, Joseph George and Joseph Damon Koch, nephews of the bride, served as altar boys.

The bride is a daughter of Dr. Felicia D. Koch, 2641 Edison Ave., and the late Dr. Joseph M. Koch. The groom is the son of Mrs. James Richard Bollam Sr., 2264 Luxmore Drive, St. Louis, and the late James Richard Bollam Sr.

Dr. Mario Slavador, organist at St. Louis Cathedral, accompanied Paul Mabrey as he sang a program of nuptial selections.

For her wedding, the former Miss Koch chose a pure white delustrated satin gown fashioned in an Empire silhouette. Motifs of re-embroidered Alencon lace,

etched with pearls and crystals, accented the high neckline and were applied on the fitted bodice and long tapered sleeves.

Matching lace motifs formed a trellis of floral designs at the sides of the long A-line skirt and created a deep scalloped border of lace at the hemline. A row of satin buttons secured the sleeves and back bodice.

Complementing her gown was a full sweep detachable train of French illusion net bordered with scalloped Alencon lace and lace appliques.

She wore a profile headpiece of Alencon lace embellished with pearls and crystals to hold in place the long illusion veil, also edged in lace and sprinkled

GRANITE CITY PRESS-RECORD Mon., Sept. 9, 1974 Page 12

with motifs. The bridal bouquet was made up of phalaenopsis orchids and stephanotis, encircled with ivy.

Mrs. Glenn A. Hill of Houston, Tex., a sister of the bride, was matron of honor. Miss Gloria Jean Gutierrez of Granite City and Miss Mary Rose Stauffer of Belleville served as bridesmaids.

They were attired in identical Nile green jersey halter gowns worn with short hooded jackets, tied in the front, long sleeves. The groom chose James P. Brychta of Detroit, Mich., as his best man. Jordan B. Brock of

Peoria and John Andriola of Detroit, a brother-in-law of the groom, were groomsmen.

Escorting the guests to their seats were Robert J. Koch of Granite City and Edward F. Koch of St. Charles, Mo., both brothers of the bride.

The newly married couple received guests at a reception given in the Mayan Ballroom of Bel Air East Motor Inn in St. Louis. Dr. Beverly Foster was in charge of the guest book.

Nieces of the bride couple distributed colored rice packets to the guests. Dr. Koch selected a floor length gown and coat ensemble for her daughter's wedding. The sleeveless dress was designed in Empire style and worn with a

long sleeve coat with a mandarin collar of mint green brocade.

The groom's mother, Mrs. Bollam, appeared in a long gown of deep pink crepe made in A-line style. An illusion pearl trim marked the V neckline and short sleeves.

After a wedding trip to Florida, the newweds will reside in St. Louis.

The bride attended Sacred Heart School, Granite City, St. Teresa Academy, East St. Louis, and College of the Holy Names, Oakland, Calif. She received a B.A. degree in psychology at Southern Illinois University, at Edwardsville, and is a member of the SIUE Concert Choral which toured

Europe in June and July. The groom is employed by G.T.E. Sylvania Zinsco Products, St. Louis. He attended St. Casimir School and Rosary High School, St. Louis, and received a B.S. degree in electrical engineering from the University of Missouri, Rolla, where he was a member of Tau Kappa Epsilon Fraternity.

**SHED DAMAGED BY FIRE**  
A trash fire spread to a wooden storage shed at the home of Rich Roland, 1822 Spruce St., at 8:50 a.m. Friday, causing about \$50 damage. Granite City firemen were on the scene 35 minutes.

## Shower honors Mrs. Bollam Jr.

Mrs. Loren Davis and Mrs. Frank Diopeda entertained at a bridal shower last week, in the latter's home, 2657 Cleveland Blvd., to honor the former Miss Josephine Michel Koch.

The honoree was married to James Richard Bollam Jr. Saturday evening at St. Joseph Church.

Out-of-town guests attending were Miss Mary Rose Stauder of Belleville, who served as bridesmaid, Mrs. Glenn A. Hill, Houston, Tex., matron of honor; Dr. Felicia D. Koch, mother of the bride; Mrs. James R. Bollam Sr., the groom's mother; Mrs. John E. Peterson of Fresno, Calif.; Mrs. John Andrioli of Detroit, Mich.; and Mrs. Hugh Hahn of St. Louis.

Local guests included: Dr. Maria Bauer, Mesdames Dennis E. Baker, Robert J. Koch, Nora Callis, Alan Skirball, Daniel G. Carver, Lance Callis, Wallace Brylak and Donald Vaughn.

## Maryville PTA plans 'Fun Fair'

Plans for a "Fun Fair" at Maryville School on Sept. 20 were reviewed last week at a meeting of the PTA executive board.

Mrs. Carol Grimm, president, said the fund-raising project will replace the annual "Black Cat Carnival" event.

The fair will feature booths with games, prizes, food and beverages, a general store, sweet shop, hobby stand and homemade items. Patrons will be invited to attend from 4 p.m. to 8 p.m. Friday, Sept. 20.

Officers Friendly and representatives of the Granite City Fire Department will be special guests, Mrs. Grimm said.

Others attending the PTA's initial board meeting of the 1974-75 school year were Mesdames Sandy Kozak, Julie Gates, Barbara Haddock, Betty Robertson, Carolyn Taylor, Susan Gasparovic, Ann Kinney, Peggy Hafner, Mary Ann Lay, Joyce Huffstutler, Carolyn Eklers, Carole Bridget, Will Sprinkle, Darlene Stuss and Ruth Todd.

## Infant shower for Mrs. Grimm

Mrs. Carol Grimm was guest of honor at a surprise baby shower given by Mrs. Karen Tolan in her home, 4720 Benning Ave.

After the honoree opened her gifts, games were played and prizes were won by Mesdames Clarine Coggins, Judy Russell, Louise Chosich and Darlene Stuss.

A dessert luncheon was served by the hostess to those named and to Miss Betty Buatch and Mesdames Barbara Haddock, Susan Gasparovic, Connie Grupas, Jerry Marti, Bernice Grupas, Sandra Kozak, Gerry Mendez, Diane Wheeler, Annelise Gyarmati, Nancy Chosich, Sharon Hileman, Kathy Dohal, Sandy Shaw, Laura Grobaski, Carolyn Taylor, Betty Colligan, Edna Bono, Shirley Tolan, Carol Springs, Julie Gates and Janelle Gates.

**MOTORCYCLIST HURT**  
Tommy R. Taylor, 29, of 2955 Cayuga St., was injured at 12:18 a.m. Saturday when a motor-cycle he was riding and was driven by Thomas Nesbit Jr., 2607 Warren Ave., collided at Edwards and Charles Streets.

**SELLING YOUR HOME?**  
Call REINHARDT, Realtor

MRS. STEPHEN M. DALE, the former Miss Gayle Lynn Carper, who was married in a candlelight ceremony on Saturday evening at St. John United Church of Christ. She is a daughter of Mrs. Timothy Hall and Richard Carper, both of Granite City.

## Gayle Carper becomes Mrs. Stephen M. Dale

Miss Gayle Lynn Carper and Stephen Marlow Dale were united in marriage in a candlelight setting Saturday at St. John United Church of Christ. Officiating the double-ring ceremony at 6:30 in the evening was the Rev. Carl Eschenbrenner.

White candles burning in branched and hurricane candleholders illuminated the sanctuary and aisle and arrangements of pink and red carnations adorned the altar. Miss Irene Barrick presided at the organ. Mrs. Alan Dale, mother of the groom, sang "The Lord's Prayer" preceding the ceremony. Other songs, sung by the new bride's sister, were "Follow Me," "The Wedding Song," "Time In A Bottle," and "Colour My World."

The bride is a daughter of Mrs. Timothy Hall, 216 Warsaw Lane, and Richard Carper, 2220 Washington Ave. Parents of the groom are Mr. and Mrs. Alan Dale, 603 Beech St., Clare, Mich.

Mr. Carper escorted his daughter down the white carpeted aisle to the altar. She chose a floor length gown fashioned of ivory organza and Nottingham lace in princess styling. Lace formed a pinafore effect on the bodice and the ruffled flounce at the hemline.

Seed pearls enhanced the bodice and long lace sleeves and the A-line skirt swept into a chapel train.

A camelot headpiece secured a three-tier fingertip veil trimmed in lace to match the gown. She carried a cascade of white roses, red carnations, baby breath and Stephanotis.

Carol Cotter served as maid of honor. Miss Margaret MacZura, Mrs. Russell Hamilton, Mrs. David Chapman, all attended the bride. Miss Susan Parizon, and Miss Brenda Carper, sister of the bride, were bridesmaids. All were dressed alike in long A-line gowns.

The high-neck Empire bodices and long puff sleeves were fashioned of red, green and ivory floral printed organza.

A rehearsal dinner was served to the bridal party at Petri's Restaurant on Friday evening, hosted by the groom's parents, Mr. and Mrs. Dale.

The newlyweds will reside in Granite City.

**Peace Circle plans events**

Programs and meeting topics for the 1974-75 season of Peace Circle of Niedringhaus United Methodist Church were outlined by the circle leader, Mrs. Emma Schoen, 1828 Ferguson Ave., at a meeting held in her home on Thursday afternoon.

The first event of interest will be a dinner play in Wesley Hall, Sept. 27, 28 and 29, when Paul Mabrey will present the comedy, "I Do, I Do."

Mrs. Edna Lynn gave a lesson, entitled "A Widow of Nain Reveals One Greater than Elijah," at a meeting held at the home of Mrs. Katherine Van Order, 2108 Amos Ave., will serve as hostess at the Oct. 3 meeting.

**THE SCHERMER BULLETIN**

We are still getting the Belmont Sliced Bacon shipped in at a remarkable price. Sliced Bacon is very high, most popular brands going way over \$1.00 per lb. This buy of 2 lbs. 99¢ is exceptional. We have contracted for about another 5 weeks supply (if it all gets here) so guide yourself accordingly.

The best food buy in the store is the frozen fish patties. Especially if you buy them in the 8-lb. box. This price is just unbelievable. Check today's ad for the details on this item.

We sold a lot of potatoes last week at 10 lbs. 69¢. Remember when they were so high? The low of supply and demand still works. We also are running another beef sale this week. Last time the response was very good. We have a good buy and we tell you again that if you have a freezer, now is the time to put beef into it. We leave the rest to you.

One last thought, Tomorrow night, Wednesday and Thursday, are the Shrine Circus performances. We have tickets on sale here and would like to see YOU at the Circus.

## Floats, bands, drum corps highlight GC Shrine parade

A substantial crowd was on hand last week to view the annual Shrine parade, presented as a prelude to the Shrine circus which will be held at — Tri-City Speedway tomorrow, Wednesday and Thursday.

This year's shortened line of march originated at 23rd Street and Madison Avenue, continued north on Madison Avenue to Nameoki Road and then along Nameoki Road to the Nameoki Village Shopping Center, where the marching units disbanded.

Ainad Temple band and motorized units, Granite City High School bands and the Black Knights were among features of the parade, which was made up of 60 units. The parade took 45 minutes to pass a given point.

Police and parade officials said they had no precise estimate of the crowd of thousands which lined both sides of the streets.

The parade was headed by Mayor Paul Schuler of Granite City and Ainad Temple Divan members who this year rode in white golf carts instead of

**GRANITE CITY PRESS-RECORD**  
Mon., Sept. 9, 1974 Page 14

autos. The Ainad Color Guard and Ainad Brass Band accompanied the unit of Divan officers.

The Ainad Oriental band, past Ainad potentates, members of the Tri-City Shrine Club and the Ainad Drum and Bugle Corps also were included in the first sector of the parade lineup.

Other units included the Tin Lizzies motorized unit of Vandalia, the Ainad Rolling Nobles of Granite City, the Ainad Hospital Unit float.

Ainad Compacts of Granite City, Ainad Fire Patrol of Effingham, Ma-Cle-Bo Circus Unit of Highland and the Sphinx Motor Patrol of Carbondale.

Eight units of Moolah Temple at St. Louis which had been scheduled to march did not take part.

Bands in the parade lineup included those of Granite City High Schools North and South, and Madison High School.

The Black Knights made their appearance near the end of the procession. American Legion and Veterans of Foreign Wars units also participated, as did the James Stuart Chapter, Order of DeMolay.

The new Granite City "Civic Pride" float made its first local appearance in the parade lineup.

Other floats included those of the Women of the Moose, Business and Professional Women, Tri-City Knights of Columbus Council 1098, Beta Sigma Phi, Moose Lodge 272 and Madison Junior Service Club.

**ANTIQUITY CLOCK TAKEN**  
Thieves entered the home of Ann Mochie, 2138 Lynch Ave., early Friday. Entry was gained by forcing a basement door. Taken were a portable eight-track recorder and speakers valued at \$130; 20 tapes, \$78; an antique clock, \$70; and a citizen band radio.

### Grants in aid, fellowships open at SIUE

The Research and Projects Office of the Southern Illinois University at Edwardsville Graduate School has announced several grants and fellowship programs supported by the American Council of Learned Societies.

The programs are designed to advance research in the fields of philosophy, aesthetics, philology, languages, literature and linguistics, archeology, art history and musicology, history, cultural anthropology, and folklore.

Proposals also will be considered with a humanistic emphasis in economics, geography, political science, psychology, sociology and the natural sciences, according to John Rodman, coordinator of the SIUE Research and Projects Office.

All programs except grants for study of East European languages require a doctorate or equivalent as of the deadline date, Rodman said. Awards are not restricted to members of academic faculties.

The deadline for applications for grants-in-aid are Sept. 30 and Feb. 15. Proposals for fellowships must be submitted by Oct. 15, and the deadline for study fellowships is Nov. 1. December deadlines apply to research on Chinese civilization and South Asia, grants for Soviet studies, and programs in East European studies.

Additional information may be obtained from the Research and Projects Office at SIUE.

### Charge youths

Floyd Carl Woods, 17, of 2201 E. 20th St., was charged with attempted burglary and a 16-year-old Granite City boy was referred to Madison County juvenile authorities after they were allegedly involved in an attempt to break into the Conreux Confectionery, 2209 E. 20th St., at 10:45 p.m. Thursday.

A neighbor told police she saw three youths run away from the building. Police arrested Woods and the boy nearby moments later. A window on the west side of the building was broken, officers reported.

### THEFT FROM CAR

A \$100 stereo tape player and two tapes were taken from the auto of Helen Hughes, 2208 Benton St., while it was parked near Second and State Streets. It was reported at 10:15 p.m. Saturday. Entry was gained by breaking a window.

### Accident injuries rise

The number of persons injured in traffic accidents in the Quad-City area during August was more than double that of the same month a year ago, while the number of accidents increased 61 per cent over those of August 1973, according to statistics compiled by the Press-Record.

A total of 98 persons was injured in August traffic accidents this year, compared to 44 injuries in accidents in August last year, the statistics show. The 98 injuries occurred in 63 accidents, while last year's 44 August injuries resulted in 39 accidents.

Both the number of accidents and resulting injuries last month also represented a sharp

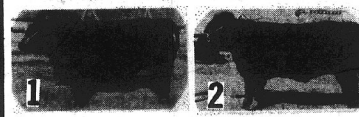

jump over those of the previous month of July when 45 persons were injured in 44 accidents.

Two persons were killed in area traffic accidents during August, a decrease of one from the three persons injured fatally in accidents in August 1973. The fatalities also were a decline of one below this year's three fatalities in July.

The 63 August accidents brought to 419 the total number of mishaps in the area so far this year, while the 98 injuries in August brought the total injuries for the year to 564.

The total of 18 fatalities during the first eight months of the year is an increase of one over the 17 fatalities recorded at the same time a year ago.

## FARM BUREAU ANNOUNCES CONSUMER CONTEST

The Marketing Committee of the Madison County Farm Bureau has announced the start of a no-cost contest for the Madison County urban consumer. George Willard, committee chairman, stated all consumers have a good chance of being in the winner's circle.

The Marketing Committee of the Madison County Farm Bureau has announced the start of a no-cost contest for the Madison County urban consumer. George Willard, committee chairman, stated all consumers have a good chance of being in the winner's circle.

George said the county has been divided into two geographical areas. Area number one will consist of all area north of the I-270 bisecting. Area number 2 consists of the area south of the I-270 bisecting. Newspapers in area number one are the Alton Telegraph, Wood River Journal, Edwardsville Intelligence and the Madison County Journal. The number two area newspapers are the Granite City Press Record, Collinsville Herald, Troy Tribune and the Highland News Leader.

The contest rules are simple — 1. Contest open to Madison County urban residents only. 2. Contest will be based on consumers ability to judge livestock (cattle, hogs), on these basic things: a. Live weight of animal. b. Dressing percentage (cutout weight). c. U.S.D.A. grade of animal. d. Cuts of front quarter — packers and/or retailers. e. Cuts of rear quarter — packers and/or retailers. f. Cost to produce animal for market. g. Market value of animal. h. Retail value of animal.

You will make these decisions on your ability to compare pictures presented now with those of the actual animals to be purchased and processed for this contest. Willard said. 3. Employees and their family of Farm Bureau, affiliated companies and the livestock related industry are not eligible to compete in this contest. 4. Animals purchased must be produced by a Madison County livestock feeder. 5. Prizes will be for Area 1 — 1 front quarter of beef, 1 hind quarter of beef and 2 half hogs. Prizes for Area 2 will be the same. 6. In case of ties in the actual contest answers, the postmark dates will be the determining factor in deciding winners.

The announcement of this contest gives you the basic considerations and purposes of the contest. Keep checking this newspaper for the actual contest pictures and entry form.

## Law schools overcrowded

Two major problems facing the legal profession are too many students wanting into law schools and the bar examination after law school, according to Vincent C. Immel, professor of law at St. Louis University.

Immel spoke to the Breakfast Kiwanis club meeting Thursday in Charlie's Restaurant.

"In 1968 there were 63,000 law students and in 1973 this number increased to 106,000," Immel noted.

Immel said that St. Louis University has increased the number of law students to 180 and this number crowds the school's facilities.

The university has between 1,600 to 1,800 applicants wanting into the law school each year.

He said the number of women entering the field is increasing. In 1968, 6 per cent of the students were women. This has increased to 20 per cent today.

Getting into law school generally depends on two areas, a person's undergraduate grade level and the score on the law school admissions examination which primarily tests a person's analytical ability and reading skills.

This, according to Immel, requires a good primary education.

He said that at St. Louis University efforts are made to take into consideration human factors of the individual and not simply cold statistics.

He said a person may be out of school for some time and then try and enter law school; his life experiences might then be considered.

A special summer program has brought people into the law school who otherwise might have been rejected due to low scores on an admissions test; caused by poor educational experiences at the elementary and high school levels, he said.

The summer institute places heavy emphasis on reading and writing and includes a law course on contracts.

There is a great need for attorneys among minority groups and the summer program helps compensate for any inequalities in the individual's primary education.

The second major hurdle to students who want to enter law is passing a bar exam, Immel said. These exams are controlled by the individual state bar associations and are quite difficult.

A few states, such as Wisconsin, are admitting graduates of their particular state law schools to practice in that state without a bar exam.

Immel has been admitted to the bars of Ohio, Missouri and the U. S. Supreme Court and was dean of St. Louis University Law School from 1962 until 1969.

Kiwanian Dr. Thomas Layloff, acting director of pre-medical studies at St. Louis University, introduced the speaker.

Bob Kehoe, soccer coach at GCHS North, will be the guest speaker at this week's Breakfast Kiwanis Club meeting.

## Law to require campaign finance reports in detail

GRANITE CITY PRESS-RECORD

Mon., Sept. 9, 1974 Page 15

Landmark Illinois legislation requiring campaign finance disclosure, signed last week by Gov. Daniel Walker, will go into effect for state office candidates Oct. 1 and for local and county candidates on Jan. 1.

The law requires that all candidates and campaign committees raising or spending over \$1,000 register with the State Board of Elections.

Statewide referendum campaign groups which raise or spend more than \$3,000 also must register.

Committees and candidates must file an annual report of contributions and spending at the end of each fiscal year and additional reports of contributions 15 days prior to and 90 days following an election.

The contributions reports — both annual reports and election reports — must include:

— Funds on hand at the beginning of the reporting period.

— Total receipts during the reporting period.

— Identification of all contributors donating or lending an aggregate of more than \$150 annually, including the services of employees donated by their employer, and the aggregate amount.

— Identification and amount of funds transferred from other political committees.

— Total sales of fund-raising tickets and campaign items.

Additionally, the annual report of campaign contributions and expenditures will include:

— Total expenditures during the reporting period.

— Identification, amount and purpose of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

— Total receipts during the reporting period.

— Identification and amount of all expenditures, including personal services.

— Identification and amount of all outstanding debts in excess of \$150 at the end of the reporting period.

GRANITE CITY PRESS-RECORD

and each expenditure over \$20, for a period of two years.

The law prohibits anonymous contributions and, if received, requires that such contributions be turned over to the state treasury.

Reports are to be available for public inspection.

As noted, the obligations of the law become effective for all state office candidates on Oct. 1, 1974, and for local level candidates on Jan. 1, 1975.

The bill was sponsored by Sen. John B. Roe (R, Rochelle) and had bi-partisan support.

Gov. Walker commented that "for the first time in our history, we have a campaign disclosure law. It is a good law, requiring that sources of all contributions and expenditures over \$150 be made public."

"The days of secret campaign financing in Illinois are over — from now on, everyone giving, receiving and dispensing political funds will be living in a fishbowl. And this is as it should be."

"Our state public ethics package — under this new law and my series of executive orders last year — now includes: campaign contributions disclosure by both candidates and state contractors, personal financial disclosure by key state employees, prohibitions against patronage abuses, an office to root out official corruption, and impartial, professional selection of consulting engineer contractors."

"But these actions are not enough — they are just a start. We now need a strong law requiring candidates and public officials to make full disclosure of their personal finances — something I have done every year since I became a candidate for public office four years ago."

"The people of Illinois want campaign disclosure and they want to know where public officials are getting their money. They have a right to know these things and they should be able to trust the men and women who run their government."

Gov. Walker vetoed House Bill 2823, which he said is identical to Senate Bill 1568 and therefore unnecessary.

## Reorganize National Guard units in state

Gov. Dan Walker has announced reorganization of nine Illinois Army National Guard units to better utilize resources of the National Guard in Illinois.

Designations of the units will be changed and some will have new federal missions. A portion of the following units are being reorganized, according to Maj. Gen. Harold R. Patton, adjutant general of Illinois.

It is hoped the reorganization will result in better utilization of both personnel strength and training facilities.

Effective date of the changes is Oct. 1.

"Coincident with this reorganization," Gen. Patton said, "the 1st Battalion (HERC), 202d Air Defense Artillery, located in the Chicago area, will be deactivated, resulting in an overall strength of 11,041 in the Illinois Army National Guard."

Those in the deactivated units are being assigned to other units.

"The deactivation comes," he said, "as a result of a Department of Defense review which concluded that the reduced potential bomber threat against the United States makes the Nike-Hercules missile system unnecessary."

Illinois Army National Guard units to be reorganized, showing first the new designation, the authorized strength and the former designation, are:

CAIRO—1344th Transportation Company, with four officers, one warrant officer and 53 enlisted personnel. The unit is currently Detachment 1, 1344th Transportation Co.

KEWANEE—28th Supply and Service Co., with six officers, one warrant officer and 184 enlisted personnel. Currently this unit is the 1344th Transportation Co.

LAWRENCEVILLE—Co. B, 862d Engineer Bn., with five officers and 133 enlisted personnel. This unit is currently Det. 1, Co. B, 862d Engineer Bn.

MONMOUTH—Batt. C (minus Det. 1), 2d Bn., 123d Field Artillery, with four officers and 33 enlisted personnel. The current designation of this unit is Service Batt., 2d Bn., 123d Field Artillery.

PARIS—1644th Transportation Co., with four officers, one warrant officer and 79 enlisted personnel. Currently this unit is designated as Co. B (minus Det. 1), 862d Engineer Bn.

SPRINGFIELD—Co. B, 204th Medical Bn., with 10 officers and 64 enlisted personnel. The unit is currently located at Decatur and will be moved to Springfield replacing the 258th Supply and Service Co.

SPRINGFIELD—Co. B, 204th Medical Bn., with 10 officers and 64 enlisted personnel. The unit is currently located at Decatur and will be moved to Springfield replacing the 258th Supply and Service Co.

## Stevenson edging toward conservative image, may beat challenger decisively

By KEN WATSON  
Press-Record Staff Writer  
The Statehouse political scoreboard has marked up another big inning for Democratic U. S. Senator Adlai E. Stevenson in his election contest with Republican challenger George Burditt.

The Capitol consensus is that Stevenson added to his already substantial lead over Burditt over the Labor Day weekend by taking a strong stand against any form of amnesty-for draft evaders.

During a Bloomington appearance, Stevenson expressed doubts about President Ford's proposal for limited amnesty for draft evaders permitting them to clear their records by performing some alternative national service.

Stevenson said the matter should be left to the courts. Although some polls show an apparent softening of resentment by many Americans against those who fled the country rather than serve during the Vietnam war, most students of Illinois politics believe amnesty is still a sensitive issue in this state.

Veterans' organizations

GRANITE CITY PRESS-RECORD  
Mon., Sept. 9, 1974 Page 16

remain a force of political significance in Illinois and are strongly opposed to any form of amnesty.

There is little doubt that the vast majority of World War II veterans take a dim view of amnesty. Families of younger men who went to Vietnam also feel strongly on the issue.

There is some dismay among Burditt supporters that has apparently led Stevenson score with the amnesty issue.

In a Chicago area press conference, Burditt withheld immediate comment on President Ford's proposal and adopted a wait-and-see attitude, explaining that he wants "to get all the facts" before taking a position.

This is typical of Burditt, long recognized as one of the best members of the Illinois legislature. But, unfortunately,

statesmanship is not always good politics.

The Burditt campaign has had difficulty getting off the ground. Unless he manages to seize the initiative some way or other before long, the election will be conceded to Stevenson long before Nov. 5.

Burditt admittedly is on a tough spot on the amnesty issue. If he should come out flatly against it, obviously the politically popular thing to do, he runs the risk of being in opposition to the county's popular new Republican President.

Stevenson has little to risk in this regard, since it is assumed that most Republicans will vote against him, anyway. Also, by being strong against amnesty, Stevenson also further erases a once-held image of him as a liberal and strengthens his new role as an increasingly conservative Democrat.

This is important, as some studies show the American people retaining a conservative stance regardless of political affiliation.

As the campaign moves through the vital post-Labor Day period, Stevenson con-

tinues to show a knack of depriving Burditt of any major issues.

Already benefiting from an immense advantage in name recognition, Stevenson heads into the home-stretch rated as about the "surest thing" Illinois politics has seen in many years.

EDWARD O'CONNOR

### O'Connor heads industrial club

Edward J. O'Connor, personnel manager of the A. O. Smith Corp. plant in Granite City, will be installed as president of the East Side Industrial Relations Club at the Sept. 17 meeting.

O'Connor, who was elected to fill the office in May, will preside for the 1974-75 year. Membership of the East Side Industrial Relations Club is composed of management people from approximately 30 East Side companies.

The organization meets on a regular monthly basis to provide its members with an opportunity to discuss management problems, innovations, and topics of mutual interest, as well as to hear authorities from outside the club speak on various management subjects.

Howard W. Curtis, labor relations supervisor at Monsanto's William G. Krummrich Plant, will hold the office of vice-president for the club; Dorothy Kelley, senior labor relations representative at Olin is secretary-treasurer.

### End of license notarization to save tax funds

The new law eliminating the notarization requirement for license plate applications will save time and bother for six million car, truck and trailer owners, Michael J. Howlett, secretary of state estimates.

Howlett said Rep. Harold A. Katz, who sponsored the bill, the General Assembly, which passed it; Gov. Dan Walker, who signed it; and the currency exchange industry which supported it, all deserves credit for helping in the reform.

The legislation, proposed by Howlett, was prepared with the assistance of his staff. "Legislation in 1973 eliminated the notarization requirement for driver's licenses," said Howlett. "It makes equally good sense to take it off the applications for plates."

"The reason for the notary was to verify that the applicant's signature was genuine. But Illinois has processed more than a billion applications without once convicting anyone for falsifying a signature."

"The change will save time for employees of our office, who had to return improperly completed forms to the applicant. The lost time was paid for by the taxpayer."

"Pre-printed applications for 1975 license plate renewals and field applications for new license plate requests will be overprinted with the information that notarization is no longer required," Howlett noted.

### Textbook hours

Textbook Service hours for distribution of books for the fall quarter at Southern Illinois University at Edwardsville begin Sept. 17 and will continue until Oct. 1, according to James Oglesby, supervisor of Textbook Service.

Daily hours of operation will be: Sept. 17, 18 and 20, 8 a.m. until 5 p.m.; Sept. 21, 8 a.m. until noon; Sept. 23, 24, 25 and 26, 8 a.m. until 5 p.m.; Sept. 27, 28, 29, 30, 8 a.m. until noon; and Sept. 30 and Oct. 1, 8 a.m. until 8 p.m.

WHEN YOU NEED A REALTOR  
CALL REINHARDT

STATE TROOPERS are dedicated to service to the public, performing any duties other than law enforcement and investigating accidents. Here a trooper provides travel information to a motorist touring unfamiliar highways.

### State troopers give varied service

One of the most aggravating situations that a motorist can find himself in is to be miles from home and have something go wrong with the car. Those who have experienced this problem know all too well that lonely helpless feeling when the motor overheats or stops entirely.

With an ever increasing national crime rate, people are becoming increasingly wary of stopping to help stranded motorists. Unless the breakdown is near a service station or there is access to a telephone, the motorist may have to wait or set out on foot for aid.

Since its formation over 50 years ago, the Illinois State Police has dedicated itself to service to the public. Law enforcement and accident investigation are not the only responsibilities of Illinois state troopers.

### Bill to reduce federal forms

Congressman Melvin Price is co-sponsoring a bill in the House of Representatives to reduce the \$36 billion cost of federal paperwork to government, private business and individuals.

The bill would establish a Commission on Federal Paperwork to re-examine the problem and recommend necessary changes in federal information policies and practices.

The local congressman noted that "the federal government uses more than 5,000 forms that require more than 130 million manhours to fill out, and this does not include tax and banking forms."

"The paperwork burden may soon become intolerable unless we act quickly," he said. The Office of Management and Budget and the General Accounting Office support the bill, and it also has been introduced in the Senate.

stopping to help stranded motorists. Unless the breakdown is near a service station or there is access to a telephone, the motorist may have to wait or set out on foot for aid.

Since its formation over 50 years ago, the Illinois State Police has dedicated itself to service to the public. Law enforcement and accident investigation are not the only responsibilities of Illinois state troopers.

High on the priority list of responsibilities for troopers is providing assistance to motorists who have mechanical difficulties with their vehicles or simply are in need of information.

The State Police Management Information Section has been tabulating the types of assistance rendered since January and report that troopers have documented thousands of incidents which include flat tires, running out of gas, lights, cooling systems, fires, engine failure and other problems.

Because of the limited number of troopers available and the demands placed upon them for service of all types, care must be exercised in assigning them to patrol the areas where the need is the greatest.

Since January 1974, Troopers providing motorists with assistance have documented the assistance rendered with a Motorist Assist Report. The Trooper providing assistance

must ask for the motorist's drivers license to complete this document.

This report provides the state police with data that is used to analyze manpower allocation. Such information is necessary to enable the state police to provide improved service by assigning troopers to areas that have the highest number of incidents of called for service.

### Women 'libers' not majority

Women "libers" do not represent the majority of the women in America, Mrs. Elaine Hiddendorf told the Thursday noon meeting of the Optimist Club at the YMCA.

Mrs. Hiddendorf, of St. Louis, is national vice-chairman of "Stop ERA" (Equal Rights Amendment).

According to the speaker, the majority of women do not want to work in coal mines or be steel workers. Most women, she maintains, are "quite happy being good mothers and housewives."

She said 33 states have ratified the ERA amendment, and two have abstained from voting on it. Proponents need 36 states for ERA to pass.

Optimist G. H. Stenberg, co-chairman of the joint Rotary-Optimist Camelot auction, passed out large pink buttons with the word Camelot on them. After next Thursday's meeting, any member of the Optimist Club not seen wearing the button anytime from "dawn to dusk" will be fined 25 cents.

Tickets for the event are \$11 each, which includes a grand buffet dinner from 6 p.m. until 7:15 p.m. at the Sunset Hill Country Club, Edwardsville, on Sunday, Oct. 19.

Tickets are available from every member of the club. Tickets also may be obtained from Jerry McDonald at the Granite City Trust and Savings Bank or from Frank Rea at Skott's Jewelry and Gift Shop, 1304 Niedringhaus Ave.

## Darkness can give somebody a break

## maybe a burglar- maybe you

Leaving your house and yard in darkness is not a wise way to conserve energy.

Consider these facts:

- 90% of all burglaries and assaults occur at night
- nighttime accidents are the most serious and most costly
- It's also a fact that light is a positive deterrent to burglars and vandals.

Illinois Power's Security Nite Lite Rental Plan is a wise means of using energy to conserve your property—and yourself, your family, friends and neighbors.

Ask at our office for details on how, for a flat monthly cost, you can have the protection of automatic all-night security lighting for your home, farm or business.

**IP** IT'S OUR BUSINESS TO SERVE YOU BETTER  
**ILLINOIS POWER**

Providing energy is our business. Using it wisely is everybody's business.

Security lighting is wise use of energy

## Current films run the gamut from fair to poor, critic says

Gentry Trotter, Channel 4's critic-at-large has reviewed a number of current motion pictures.

Following are the reviews:

**"The Zebra Killer"**  
This is a most clever and it is not for cutting up little green apples or onions. All types of tools are used in Mid-America Pictures' production, "The Zebra Killer," a brutal, butcher-knife-trigger-crazed flick about murders.

The script is cheap, the actors are cheap, and this PG-rated number is a waste of time. I rate it as poor.

**"The White Dawn"**  
Now what happens when Timothé Bottoms, Warren Oates and Lou Gossett team up to do a movie. Adventure? Well, not really.

Paramount Pictures' "The White Dawn" finds those guys fighting for survival as they are marooned with a bunch of whales in the Canadian Arctic. This R-rated flick has its share of live Eskimos and more than nose-rubbing relationships. There's not a lot to turn you 'oo, except for a beautiful glimpse of Mother Nature in the cold. I rate it as fair.

**"Super Spook"**  
When the multi-not-talented director of "Super Spook" shouted "Make-up, action and roll that camera," I believe that everyone talented must have left the set.

This R-rated artistic and technical blunder was apparently filmed by a candid camera crew and written by a handful of first graders. And you can forget about the plot, because it moves in total confusion.

Somewhere in this country, I can see a bunch of displeased moviegoers punching their local manager in the nose, because they had to spend their hard-earned money on this pure junk. This picture receives my rating of poor.

**"Harrod Summer"**  
Now for the lighter and simple side of life, there is a flick where emotion bubbles and sex seeps like at "Peyton Place." The Cinema Arts release stars Marty Allen and Bill Dana with a dash of unknowns.

The R-rated film has quiet acting and a sweet, cute, not-

overly-exciting theme. It receives my "nothing exciting" rating of fair.

**"Macon County Line"**  
If you love chewing tobacco, and seeing views of the Southern countryside, and lots of laughing plus high speed car chases with sprinkles of Jethro Bodine characters, then maybe, just maybe, American International's "Macon County Line" will appeal to you.

It just doesn't give me a happy shakedown. The script is written-in rambling form and there is nothing but fair acting.

This R-rated flick receives my nothing new, something old rating of fair.

**"Going Places"**  
When my neighbors told me that the French were good only at making wine, I told them they were crazy.

However, after seeing an R-rated French number, "Going Places," I realize that the neighbors' statement has truth and relates to that picture.

I rate it as poor.

**"Bring Me the Head of Alfredo Garcia"**  
I hold in my hands this publicity sheet for United Artists' "Bring Me the Head of Alfredo Garcia." The caption reads: "You're either got them, or you don't."

After seeing Sam Peckinpah's you-expect-more-smut-and-you-

get-it-flick, I wrote my own caption, "A mind—either you have one, or you don't." And Peckinpah, you ain't got one.

This R-rated number stars Warren Oates in a Mexican surrounding, searching for the golden head. I must tell you that it plunges way beneath the word "repulsive."

To call this film trash is to compliment it.

It receives my rating, which is reserved for special occasions of minus four for extremely poor.

**"The Tamarind Seed"**  
This is a light, featherweight Russian robbing love story.

Avco Embassy's "The Tamarind Seed" is where love blossoms like passion flowers and the screenplay and direction grow like weeds.

This PG-rated flick stars Julie Andrews and the sheik of sex, Omar Sharif.

The director and writer, Blake Edwards apparently had a fetish for Russian vodka when he put the entire production together. Besides some nice acting in the Andrews tradition, the only thing exciting or refreshing is when Julie Andrews wears a bikini.

From there, everything goes straight downhill. It receives my down the hill rating of fair.

## Recommend permits for 4 mobile homes

The Madison County Zoning Board of Appeals has returned recommendations on four petitions for zoning changes in Four Township.

All are requests for special use permits for the placement of mobile homes and all are being recommended for approval by the Madison County Board when it meets at 9:30 a.m. tomorrow in the Madison County Courthouse at Edwardsville.

Chouteau township requests are from Norman J. Thomas to place a 12 feet by 85 feet mobile home on Mueller Avenue in the Hills Terrace Annex, an R-3 single family residential area; and from Catherine Manicopoulos, owner, and Paul Accardi, occupant of a mobile home, to

place a 14 by 60 unit along Chouteau Slough Road in the Chouteau Place Subdivision, an M-2 general manufacturing district.

Also recommended for approval was a request by Jesse Ware to place a double-wide unit, 24 by 36 feet in size, at 217 Carver St., an R-4 single family residential district of Nameoki Township.

The request of Jewell M. Hill also was recommended to place a 12 by 48 feet unit on Williams Street in the Williams Subdivision, an R-4 district of Venice Township.

## Zoning hearings set Saturday in Pontoon

Two requests for special use permits for the placement of mobile homes, and a request for a variance to construct a garage will be considered by the Pontoon Beach Zoning Board of Appeals at on-site public hearings in the village Saturday.

At 10 a.m., the board will meet at 3204 "B" Street where George Bolton, owner, and Jimmy Gallion, purchaser, are requesting a special use permit to place a mobile home in an SR-2 single family residential district.

At 10:30 a.m. Saturday, the board will meet on lots one through 27 of the Park Lane Addition Number One in Sunny Shore Acres, on Park Lane, on the petition of Hartsberger-Kozicki Corp. for a special use permit and variation permit to install a mobile home at that site.

At 11:30 a.m. Saturday, the board will meet at 4249 Marigold Drive, to consider a request from Thomas and Elizabeth Bladick for a variance to build a two-car garage three feet from the lot line.

## Discuss disclosure law

A discussion of Illinois' new campaign disclosure law will highlight an Illinois State Chamber of Commerce political action seminar Tuesday, Sept. 24, at Holiday Inn East, Springfield.

The half-day meeting, beginning at noon, also will focus on the outlook for the fall elections Nov. 5 and the fall session of the Illinois General Assembly which convenes Nov. 7.

Noon luncheon speakers will be Senate President William C. Harris and Michael Lavelle,

chairman of the State Board of Elections. The topic, "How to live with campaign disclosure."

Harris, co-sponsor of the new law, will explain its far-reaching legislative and political effects. Lavelle, who will administer the law, will explain the various forms, bookkeeping requirements and enforcement procedures involved.

Reservation information is available from the Legislative Department, Illinois State Chamber of Commerce, 20 North Wacker Drive, Chicago 60606.

## Aviation mechanics seminar set

The Illinois Department of Transportation, Division of Aeronautics, will sponsor a general aviation mechanics seminar Oct. 8-10 in the auditorium of the department's administration building, 2300 S. Dirksen Parkway, Springfield.

The seminar is designed to familiarize aviation mechanics with present day maintenance problems, techniques and

procedures related to general aviation aircraft. Representatives from aircraft manufacturers and component part manufacturers will speak at the seminar.

There will be no cost except meals and lodging for mechanics attending the symposium, which is open to all aviation mechanics in Illinois. Additional information may be obtained from the Division of Aeronautics, Capital Airport, Springfield, Ill., 217-782-2884.

## Air Force enlistee

Robert C. Gundlach, son of Mr. and Mrs. Robert Gundlach, 2918 Indiana Ave., has enlisted in the Delayed Enlistment Program (DEP) in the U.S. Air Force, pending regular enlistment in the active duty Air Force.

He has enlisted in the inactive reserves, according to Sergeant George Habbert, Air Force recruiter for the Granite City area. The time spent in the reserves will count towards longevity pay in the active Air Force.

The local youth attended Granite City High School. He has enlisted for the electronic career field and will receive technical training after a six-week basic training course at Lackland Air Force Base near San Antonio, Tex.

More information about enlistment in the United States Air Force may be obtained from Sergeant Habbert, 1204 Niedringhaus Ave., phone 876-5225.

## Rites for mother of Mrs. Kitchen

Funeral services were held last week in Poplar Bluff, Mo., for Mrs. Katherine Ellis Warrick, 71, of Poplar Bluff, mother of Mrs. Virginia Lee Kitchen of Madison. Burial was in Memorial Gardens Cemetery, Poplar Bluff.

Mrs. Warrick had been ill for a month and died in the Poplar Bluff Hospital. She was a retired crossing watchman for the Missouri-Pacific Railroad, a position she held for 20 years.

Other survivors include another daughter, two grandchildren, three great-grandchildren and a half sister.

**Save on  
Long Distance by  
choosing when and  
how you call.**

For example, a three-minute call to Seattle costs:

**\$3.10** **\$1.70** **\$1.35**

A three-minute person-to-person call costs the same, all days and all hours. Rates for extra minutes, however, are lower between 5 p.m. and 8 a.m. Monday through Friday and all hours Saturday and Sunday.

That's the rate for a credit card, third number or collect call Monday through Friday, 8 a.m. to 5 p.m. The same rate applies on calls from coin phones or hotels.

Dial your call One-Plus Monday through Friday between 8 a.m. and 5 p.m.

**\$1.30** **75¢** **65¢**

Make a credit card, third number or collect call—phone from a coin or hotel telephone—Monday through Friday, 5 p.m. to 8 a.m. or any time Saturday or Sunday.

Just dial the One-Plus way Sunday through Friday evenings between 5 p.m. and 11 p.m.

Rates are lowest when you dial One-Plus between 11 p.m. and 8 a.m. daily, all day Saturday and until 5 p.m. Sunday.

One-Plus rates are not available on calls from coin telephones. Rates above do not include tax.

Being choosy can result in real savings, so take your pick. Then travel by Long Distance... and stay awhile.

Like to have more information about Long Distance rates? Fill out and mail the coupon. We'll send you a free guide that shows you the best times to call and gives examples of rates to major cities.

### GRANTMASTER RADIAL TIRE GUARANTEE

1. 40,000 MILE GUARANTEE—Every new Grantmaster tire is guaranteed by the M. T. Grant Company to wear at least 40,000 miles of tread wear if used on the vehicle for which it was designed—regardless of whether highway or commercial vehicle. If the tread wears down at the 40,000 mile mark, we will replace the tire with an equivalent one at no charge. This guarantee does not apply to tires used on vehicles for which they were not designed.

Proper tire care is necessary to obtain maximum mileage from your radial tire. Your mileage guarantee is contingent upon taking your tires into a Grant store for regular check-ups and rotation every 3,000 miles and the proper correction of your vehicle's front-end alignment when in line or a Grant under this guarantee.

2. Tread Life Guarantee—Against Road Hazards. We guarantee an Grantmaster tire, against failure, from all normal road hazards for the life of the tread with the exception of abnormal road conditions, overloading, and misuse. This guarantee is void if the tire is used on a vehicle for which it was not designed.

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service replace the guarantee period by 50%.

#### GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards  
We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end misalignment, under-inflation, over-inflation and running flat.

2. Tread Life Guarantee Against Defects  
We guarantee the Grantmaster tires, against all defects of material and workmanship, for the life of the tread.

3. Guaranteed Against Tread Wear  
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
